A. DISCUSSION ITEM: [ASI Committee Appointments](#)  
The Personnel Committee will discuss interviewed applicants for ASI Committees. **E. Pinlac** states that Brandon Kitto-Gutierrez has worked with Marguerite and have been helping a lot with the Elections Committee. It would be great to put them onto the Elections Committee. Their academics are strong and their major has event planning as well. The person we recommended earlier has turned down the position

which is why we had a vacant seat. He is organized and knows how to create graphics on Canva which is what we used often. He would be a great asset due to his connection to Student Life. He is already working with the Elections Committee therefore I believe it would be a great idea to officially have him on the committee. Brandon has been attending the meetings and having him on the committee will allow us to have him more as in not just working for Student Life but the ASI Elections Committee as well.

**K. Dhillon** asks if there is any other discussion. If not, this will be on the Board of Directors Meeting Agenda for today.
