

1 A Resolution in Favor of Green Transportation Solutions

2
3 WHEREAS, the Associated Students, Inc. of Cal State East Bay has had a long history of
4 endorsing green solutions to student needs; and

5
6 WHEREAS, past resolutions of the Associated Students, such as the “Sustainability Resolution”
7 and “Paper free meeting resolution” have created environmentally beneficial as well as
8 economically sustainable that are policies currently being carried out by the Associated Students;
9 and

10
11 WHEREAS, the California State University system in various policies has committed itself to
12 the concept of sustainability; and

13
14 WHEREAS, the student newspaper at Cal State East Bay, *The Pioneer*, has recommended the
15 adoption of green energy policies ranging from campus-wide LED lighting in the November 10,
16 2011 editorial “CSUEB Should Adopt LED Lighting Campus-Wide” and a nationwide priority
17 for transportation infrastructure investment in the April 8, 2011 editorial “The U.S. Must Invest
18 In Infrastructure”; therefore let it be

19
20 RESOLVED, the Associated Students, Incorporated of the California State University, East Bay,
21 as the voice for students on campus, support efforts to pursue green transportation solutions on
22 this campus and lobby for their adoption by University Parking Services; and

23
24 RECOMENDING, that University Parking Services conduct research into, but not limited to, a
25 Clean Air Bus system along the lines of systems adopted by other universities such as SUNY
26 Stony Brook University and promoting student usage of public transportation solutions, such as
27 AC Transit, through programs similar to the “Bear Pass” program at UC Berkeley.

28
29 RESOLVED, that this resolution be distributed widely to all relevant parties both at the Cal State
30 East Bay Campus and into the surrounding community.
