

Registering your Bay Card to the Pharos Print System

- You can only have one card registered at a time
- You must manually register your Bay Card to the Pharos Print System.
- You must have a Bay Bucks balance to pay for printing.
- Each time you replace or receive a new Bay Card you will need to register the new card.

Step 1.

Swipe Bay Card at Pharos Printer.

You will be prompted to enter your Net ID and Password on the screen of the printer.

Step 2.

Enter your Net ID and Password

Step 3.

Your New Bay Card is now registered with the Pharos Print System.
