Curriculum Committee (CIC) Meeting Minutes  
VBT 411 - December 12, 2019 - 11:00 am

In attendance: Ryan Lampe, John Tan, Rajan Selvarajan (via phone), and Ya You (via phone)

Agenda
1. Approval of agenda
2. Approval of the minutes from meeting on October 31, 2019
3. BSBA concentration changes
4. Adjournment

1) Voted Yes-4, No-0 to approve agenda for today.

1) Voted Yes-4, No-0 to approve the October 31, 2019 minutes.

2) Main idea of BSBA program change: Instead of taking Math 180 (Business Calculus), students can now take one of three classes: Math 180, Math 110 (Finite Math for Business), or Econ 110 (Quantitative Skills for Business).

Students will probably take Math 110 because it will have a B4 GE designation. Econ 110 was created as a failsafe.

BUS 499 required min. grade of C, but every other class in program requires C-, so changed the minimum required grade to C-. (BUS 499 will be MGMT 499.)

Catalog change will see ACCT 220 under core rather than the concentration.

Grammatical errors - made a few adjustments to the wording that will appear in the catalog.

Attachments include a lot of roadmaps; will ask Jennifer Aure (Undergraduate Advising Office) to fix the errors on them.

Voted Yes-4, No-0 for program change given that Ryan makes sure that the roadmaps can be fixed.

3) Concentrations changes
Marketing concentration has 2 sets of changes.
No Management concentration changes (yet).

Business Economics concentration - When previewing the curriculum in the upper division core, accounting and math changes aren’t listed. Ryan needs to check on the lower division core for the math changes.

If changing the program, does it automatically change the concentrations’ information? (Checked: Information is not updated, needs to be changed.)

For all concentrations except Accounting, MGMT 300, ITM 300, and MGMT 370 classes are now being moved under the new heading “Foundation Courses.” (Only if they are not part of the concentration.)

Each department representative will review own department concentration changes on Curriculog. Ryan will ask Dept. Chairs to review again. Everyone will try to get concentration changes done by Friday, December 20, 2019.

Other proposals need to be approved, but they are not on Curriculog yet.

Next Meeting: Sent out Doodle Poll for the week of Jan. 21, 2020 - TBD.
