## Bachelor of Science in Business Administration Option/Concentration in Entrepreneurship

A student's catalog year determines the degree requirements a student must fulfill in order to graduate. This so-called "contract year" between student & university governs all requirements-major, general education, university-for a student's graduation. To find your catalog year, check your Degree Audit Report (DAR) or consult with your academic advisor.

Your catalog year will not change due to semester conversion, unless you request a change & it is approved.
