Complete these steps to prepare for your enrollment:

1. **Activate your NetID**
   
   [www.csueastbay.edu/netid](http://www.csueastbay.edu/netid) and [www.csueastbay.edu/Duo](http://www.csueastbay.edu/Duo)
   
   Your NetID is your personal Cal State East Bay identification number, which gives you access to online student self-service systems like MyCSUEB website. It was sent to you with your letter of admission. In order to better protect the identity and data of students, CSUEB has implemented multi-factor authentication as an additional security measure, also known on campus as Duo authentication. To enroll your NetID account with Duo, go to the link above and click on the “Enroll in Duo” button.

2. **Check your Horizon email account**
   
   [https://horizon.csueastbay.edu](http://https://horizon.csueastbay.edu)
   
   Your CSUEB Horizon email account is where University communications are sent. Access your email with your NetID. Check often for important messages. Horizon email can be forwarded to a personal email account.

3. **Accept offer of admission**
   
   [http://my.csueastbay.edu](http://my.csueastbay.edu)
   
   Select “Accept Admission” from the links on the left side of the page in the MyCSUEB portal. When you accept your offer of admission, you will be charged a required and non-refundable $110 pre-enrollment fee that helps pay for the mandatory transfer student orientation.

4. **Purchase medical insurance**
   
   [www.4studenthealth.com](http://www.4studenthealth.com)
   
   You may purchase insurance that meets university requirements at the website above. If you have alternate insurance, email: csuebhealthinsurance@csueastbay.edu to provide proof of insurance that meets the minimum requirements as posted at: [www.csueastbay.edu/cie/f-1-students/new-students/insurance.html](http://www.csueastbay.edu/cie/f-1-students/new-students/insurance.html)

5. **Get proof of required immunizations**
   
   [www.csueastbay.edu/shcs](http://www.csueastbay.edu/shcs)
   
   Consult with your doctor to get documentation of your immunization records and obtain required immunizations if needed. You will need to submit proof of immunizations to the Student Health and Counseling Services (this can be done by email to shcs@csueastbay.edu) before beginning classes.

6. **Consider your housing options**
   
   [www.csueastbay.edu/cie/f-1-students/new-students/housing.html](http://www.csueastbay.edu/cie/f-1-students/new-students/housing.html)
   
   Refer to the link above to view your options and review the enclosed information about on-campus housing. Space fills quickly, so if you want to live on-campus, submit a housing application early to avoid disappointment.

7. **Register for classes**
   
   [https://my.csueastbay.edu](http://https://my.csueastbay.edu)
   
   After you have accepted your offer of admission and submitted all required documents (view your personal “To Do List” on MyCSUEB for items that may need to be submitted), go to MyCSUEB to check your appointment time to find out when you can register. Enrollment dates can be found at [www.csueastbay.edu/importantdates](http://www.csueastbay.edu/importantdates).

8. **Plan to attend orientation**
   
   See details at: [www.csueastbay.edu/cie/f-1-students/new-students/orientation-information.html](http://www.csueastbay.edu/cie/f-1-students/new-students/orientation-information.html). Have your immigration documents ready to submit (passport, visa, I-20 and I-94) when requested. Check your horizon e-mail for updates.

9. **Pay fees**
   
   [https://my.csueastbay.edu](http://https://my.csueastbay.edu)
   
   Fees are due after registering for your classes. Check [www.csueastbay.edu/importantdates](http://www.csueastbay.edu/importantdates) to see payment deadlines. You have the option to pay in full or sign up for a payment plan. For more information, see: [www.csueastbay.edu/student-financial-services](http://www.csueastbay.edu/student-financial-services).

10. **Register for University Writing Skills Requirement (UWSR)**
    
    [www.csueastbay.edu/testing/uwsr](http://www.csueastbay.edu/testing/uwsr)
    
    In order to graduate, all CSUEB students must pass the University Writing Skills Requirement (UWSR). Students who have completed at least 60 transferable units should register for this test or enroll in a first-tier writing course as soon as possible.
Transferring Credits to CSUEB
As a new transfer student, you will receive a transfer credit evaluation within your first two terms of attendance at CSUEB. Until you receive your transfer credit evaluation, you will note a checklist item of “GE Evaluation Status” on your MyCSUEB To Do List. This item does not require any action by you and does not affect admission to the university. It will be changed from “Initiated” to “Notified” once transfer credit evaluation has been completed. For more information on transferring credits to CSUEB, visit www.csueastbay.edu/transfercredit.

Acceptance Letters that Indicate Provisional Admission
Provisional Admission means your offer of admission is subject to verification of your application information. After CSUEB reviews your official academic records and test scores (if applicable), and you meet all published deadlines, your offer of admission will be finalized. However, if your application does not match your official academic records and/or test scores, or if you do not meet published deadlines, your offer of admission may be canceled. Please pay careful attention to all communications (letter and e-mails) sent to you from CSUEB.

Majors with additional requirements
- Music - Students are conditionally admitted to the Music BA major pending the results of an audition with the Department of Music. Learn more about auditions at www.csueastbay.edu/music or call 510-885-3135. Students not successful in their audition or who never audition must select an alternate CSUEB major.
- Nursing - At CSUEB there is no guaranteed admission to any nursing program. Prospective nursing students admitted to CSUEB are designated as “Undeclared – Interest in Nursing.” Students may apply to a CSUEB nursing program upon completion of all nursing program prerequisites. Your major will automatically be changed to Nursing only IF you get admitted to the nursing program at CSUEB through a separate application process. For more information see: www.csueastbay.edu/nursing.

Changing your term of entry
CSUEB’s application for admission applies only to the term of entry indicated at the time of submission. Your offer of admission will be canceled if you do not enroll in classes in the designated term. Students who wish to defer must apply for admission again for a future term by submitting a new Cal State Apply application and application fee. Simply log back into your saved application stored in www.calstate.edu/apply, update your desired term of entry, confirm your address and previously attended institutions are still current, and submit the form with your application fee.
