What is Optional Practical Training (OPT)?

OPT is temporary employment authorization for International Students in F-1 status. OPT provides an opportunity for students to apply the knowledge acquired from their academic program to a work experience directly related to their current major field of study.

- **Length** - 12 months at each higher education level. You may become eligible for another 12 months of OPT when you move to a higher education level in the US.
- **Jobs** - While on OPT, students' job(s) must be directly related to their current major(s), not minor.
- **How to obtain OPT** - You will email your completed OPT Request Form to CIE advisor and we will email you your OPT Request I-20. You will then submit your application to USCIS.
- **Processing Time** - Processing time for USCIS to approve your application and mail you the “Employment Authorization Document” varies.
  - Premium processing is available but it is expensive!
Hours Per Week

For immigration purposes:

**Full time**- 20.1 hours or more per week

**Part time**- 1-20 hours per week

To maintain your F-1 status, you should work 20.1 or more hours (full time) per week.

You can do this with 1 or more employers

There is no maximum number of hours you can work per week
Types of Employment

All employment must be related to your major and should be more than 20 hours a week.

- **Paid employment.** Students should work more than 20 hours a week to be considered full time in a job related to their field of study.
- **Multiple employers.** Students may work for more than one employer, but all employment must be related to the student’s degree program.
- **Short-term multiple employers (performing artists).** Students, such as musicians and other performing artists may work for multiple short term employers (gigs). The student should maintain a list of all gigs, the dates and duration. If requested by USCIS, students must be prepared to provide evidence showing a list of all gigs.
- **Work for hire.** This is also commonly referred to as 1099 employment where an individual performs a service based on a contractual relationship rather than employment relationship. If requested by USCIS, students must be prepared to provide evidence showing the duration of the contract periods and the name and address of the contracting company.
Types of Employment

- **Self-employed business owner.** Students on OPT may start a business and be self-employed. In this situation, the student must work full-time. The student must be able to prove that he or she has the proper business licenses and is actively engaged in a business related to the student’s degree program.

- **Employment through an agency.** Students on Post-Completion OPT must be able to provide evidence showing they worked an average of at least 20 hours per week while employed by the agency.

**Unpaid employment** Students may work as volunteers or unpaid interns, where this does not violate any labor laws. The work must be at least 20 hours per week for students on Post-completion OPT. These students must be able to provide evidence from the employer that the student worked at least 20 hours per week during the period of employment.

It is recommended that you maintain evidence for each job: the position held, duration of that position, the job title, contact information for the student’s supervisor or manager, and a description.
Employment Authorization Document (EAD)

- EAD will be mailed to you upon approval

- Dates indicate your eligible dates to work
  - You cannot begin working until the start date if you get the card before the start date

- Shows employers you are eligible to work in the USA

**Make sure you check for any spelling errors**
90-Day Unemployment Limit

• Your unemployment starts from the date on your EAD card, even if the date is in the past.
• You must work more than 20 hours per week in a qualifying position(s) to be considered “Employed”.
• To avoid violating F-1 status, prior to reaching the 90-day unemployment limit, a student should take one of the following actions:
  – Apply to continue his or her education by a change of level or transferring to another SEVP-certified school
  – Depart the United States
  – Take action to otherwise maintain legal status
• SEVP has the authority to TERMINATE your SEVIS record for failing to report employment within 90 days

If one of those actions is not taken, a student who has exceeded the period of unemployment is considered violated his or her status. The student must depart the U.S. immediately as there is no additional grace period
Eligibility to Apply

You must meet the following criteria in order to be eligible to apply for OPT:

• Be in valid F-1 status
• Enrolled full-time. Minimum 12 units for undergraduate students or 8 units for graduate students. You are also eligible to apply for OPT if you have approved Reduced Course Load (RCL).
• Fulfilled one year full-time requirement. You must have been enrolled full-time for at least one full academic year prior to submitting an OPT application. You have not already been approved for 12 months of OPT at the current degree level.
• Must be in good academic standing

**Job offer is not required.**
Program Completion Date

The program completion date may or may NOT be the same as your graduation date or the term you filed for graduation. Program Completion is when you complete all degree requirements.

CIE will change the program end date on your I-20 and print a new I-20 with OPT recommendation to you. You cannot work on-campus beyond your program end date on the I-20.
Determine your OPT start & end date

- Your *requested* start date must be within your 60 day grace period after the program completion date.
- OPT will end 12 months (365 days) from the start date, or within 14 months of the program completion date.
- Once USCIS receives your OPT application, it is not possible to change your OPT request dates. You would need to withdraw your application and reapply.
When to Apply for Post Completion OPT

• Submit your application up to 90 days before your program completion date
  – You may also submit your application during the 60 day grace period after the program completion date.
  – You must be physically in the US while applying for OPT. If you leave the US during the grace period, you lose your opportunity to apply for OPT.

When Can I Apply?

Apply up to 90 days before or 60 days after program completion date.

OPT REPORTING REQUIREMENTS

Post-Completion OPT Reporting Requirements (12 Months)

All students on OPT are required to report any changes within 10 days. You are required to report contact information changes and employer changes via your SEVP Portal. Failure to comply with any of the reporting requirements constitutes a violation of your legal F-1 status.

SEVP PORTAL- Self Reporting Tool

The SEVP Portal is a tool that F-1 students engaged in post-completion OPT and STEM OPT Extension can choose to use to report certain updates to SEVIS.

You will receive an email from SEVP to create a portal at the same time as your EAD authorization start date.

SEVIS Record and Reporting

90 Day Unemployment Clock

- **SEVP Portal**: Once you report your employment in your SEVP Portal, that unemployment clock stops in SEVIS.
- **10 Day Period**: You have to report any updates within 10 days of the change.
- **Termination**: SEVP has the authority to terminate your SEVIS record if you accumulate more than 90 days of unemployment.

**I-20**: CIE does not issue new I-20’s with employer information automatically. Email CIE to request an updated I-20 if you want one.
Maintaining F-1 Status

While on OPT, you are still in F-1 status as OPT is a benefit of F-1 status

To maintain F-1 status you must:

• **Stay employed**: work more than 20 hours a week in a job related to your major
  – Do on pass 90 days of unemployment

• **Fulfill Reporting Responsibilities**: Report your address/phone/employer information via the SEVP Portal within 10 days of any change
  – Also update USCIS and your MyCSUEB upon any address changes

• **Health Insurance**: You are still mandated to have health insurance. Can be employer provided or can buy from CSUEB
Travel Outside the United States

Travel is only recommended after receiving EAD

Documents Needed to Reenter the USA

• A valid passport (6 months into the future)
• A valid F-1 visa
• I-20 with endorsement from CIE
  – Travel endorsement is valid for 6 months
• EAD
• Job offer letter or job verification is highly recommended
  – If you do not have proof of employment, bring evidence of your job search

Evidence of financial support for the OPT period is recommended if doing any unpaid employment.
Don’t Complete Degree Requirements

• If you have filed for OPT then find out you have not completed your program requirements, please contact CIE. Your options depend on your application status, your remaining requirements and when you inform CIE.

  – Options depend on your remaining requirements and where your OPT application process is at that time.
After Your OPT Ends

When your OPT ends (assuming you haven’t filed for OPT STEM), you have 60 days to do one of the following:

1. Depart the U.S.
2. Change to another visa status, such as H-1B
3. Transfer from CSUEB to another institution to begin a new program of study and obtain a new I-20 for the new program
4. Be admitted to a new program at CSUEB and obtain a new I-20 from CIE to begin your new program

Ending OPT Early

If you choose to end your OPT before the end date on your EAD, let CIE know, so we can complete your program in SEVIS. Transferring to a new school during your OPT period will cancel your OPT.
