Criminal Justice Major – Advising Guide
Bachelor of Science in Criminal Justice

The Criminal Justice Major consists of 48 semester units; the Bachelor of Science degree requires a total of 120 semester units. In addition to major requirements, every student must also complete the University requirements for graduation, which are described in the Baccalaureate Degree Requirements chapter in the Catalog. These include General Education Breadth requirements; the second composition requirement; the cultural groups/women requirements; the performing arts/activities requirement; the U.S. history, U.S. Constitution, and California state and local government requirement; the University Writing Skills Requirement; and the residence, unit, and grade point average requirements.

Credit/No Credit (CR/NC) grading is not permitted for classes used to meet major requirements. A C (2.0) or higher is required to pass all courses in the major.

Criminal Justice Minor – Advising Guide

The Criminal Justice minor consists of 24 semester units. The purpose of the minor is to provide interested students with the opportunity to study the central areas of criminal justice. The selected courses will offer instruction in law, law enforcement, ethics, corrections and the courts. The minor allows those students with career plans in the social services and business administration to acquire knowledge of criminal justice, a career area with high employment prospects.

Credit/No Credit (CR/NC) grading is not permitted for classes used to meet major requirements.
A C (2.0) or higher is required to pass all courses in the major.
