Criminal Justice Minor – Advising Guide

The Criminal Justice minor consists of 24 semester units. The purpose of the minor is to provide interested students with the opportunity to study the central areas of criminal justice. The selected courses will offer instruction in law, law enforcement, ethics, corrections and the courts. The minor allows those students with career plans in the social services and business administration to acquire knowledge of criminal justice, a career area with high employment prospects.

*Credit/No Credit (CR/NC) grading is not permitted for classes used to meet major requirements. A C (2.0) or higher is required to pass all courses in the major.*
