Associate Dean Komorosky started the meeting by mentioning the Policies & Procedures she emailed to the committee last week. Dr. Komorosky suggested that we post Policies & Procedures as a draft, then finalize by the end of the semester. All committee members agreed.

Chair had nothing to add to the report.

Proposals:

Committee agreed to lump 325-Sociology of Race and Ethnic Relations; and 340-Sociology of Gender together for approval.

ES-245 – Black Flix

A motion was made to review ES-245 – Black Flix

Second:

Vote: Approved unanimously.

This course was originally intended to be upper division GE, but was ultimately listed in lower division. It does not need the prerequisites A1, A2, A3.

Japanese Language and Culture

A motion was made to review Japanese Language and Culture.

Vote: Approved unanimously.

The minor in German will be removed from MLL catalog under semesters and Japanese languages and culture courses. This course will replace the minor in German. Received one-year grant.

Meiling pointed out that more Japanese companies are hiring employees with a need to speak Japanese. This course will help modern languages to increase their enrollment.

SLHS-850 – Clinical Methods and Professional Ethics

A motion was made to review SLHS-850 Clinical Methods and Professional Ethics

Vote: Approved unanimously

Part of self-support DCIE – University Extension. Meiling asked if the extension courses will be listed. Associate Dean Komorosky will verify, but pretty sure it will just go on University Extension.

SOC-325 - Sociology of Race & Ethnic Relations; and SOC-340 – Sociology of Gender

A motion was made to review SOC-325-Sociology of Race & Ethnic Relations and SOC-340 - Sociology of Gender together

Vote: Both Approved unanimously

These two courses are designated as GE's. This course will fulfill the Diversity and Social Justice requirement of the Sociology major and will offer more options

SOC-365 – Deviance and Social Control

A motion was made to review SOC-365 Deviance and Social Control

Vote: Approved unanimously

Request to take ground course and make it a hybrid. Committee asked for clarification regarding hybrid or online, or both status. Associate Dean Komorosky will confirm. A suggestion was made for them to click both the “entirely on line” and “hybrid”.

Vote: Approved unanimously with minor edits

Adjournment was called at: 12:40pm

Respectfully submitted,

Alicia Wilkins, Curriculum Coordinator
