

CLASS Curriculum Committee
Minutes
September 27, 2021

Present: Cory Lepage (Chair), Luz Calvo (Assoc. Dean), Maria Ortuoste, Shubba Kashinath, Monique Manopoulos, Inez' Thiebaut

Guests: Dennis Chester (English), Chris Moreman (Phil and Religious Studies), Gywan Rhabyt (Art)

1. Approval of minutes: From September 13, 2021

Postponed until next meeting

2. Chairs' Report

Chair Cory Lepage provided the strategy for getting through the long agenda by voting in prearranged blocks.

3. Associate Dean's Report

AD Calvo reported they received word from Mitch that Maureen S. was going to put forward [this proposal](#) to CAPR. The proposal passed last Thursday and will be heard by the Senate on Tuesday. This proposal affects our work because, *if it passes and is signed by the President*, some departments MAY choose to rush forward substantive program revisions that need a quick turnaround. That said, both Pat Jennings and Calvo have concerns about making too many changes to the schedule after it goes "live" to students on October 25. They are monitoring this situation and trying to figure out if this proposal has any chance of helping departments that want to teach online in the Spring.
