Guest: Gwyn Rhabyt, Kevin Kaatz

Meeting start 12:01 PM

### 1. Chair's Report

- Refer proposals back to originator for edits so that they do not have to go through entire process to reach CLASS Committee
- Fixing Curriculog so that proposals appear when needed
- Lots of roll over from last meeting; SLOs and Proposals must match each other AND uni catalog
  - John—is it possible to have technical review BEFORE CLASS committee so that there is no bounce back
- AD Luz Calvo request extension to 10/17 due to deadline being today 9/26 and proposals may not be heard by GEOC
  - Motion to request add'l meeting will be via email, pending response from Kevin and Mitch regarding deadline extension

### 2. Proposals

- **PHIL 320** - no land acknowledgement
  - Inés adv land acknowledgement requirement is currently in limbo; not too significant at this time
