Bachelor of Science in Computer Engineering
Catalog Year 2023-2024

The purpose of this flowchart is to help students determine the pre-requisite classes they need for their major. This tool is NOT a substitute for attending orientation or booking an appointment with an advisor. However, this tool can be a helpful starting point, and we recommend using the tool prior to advising appointments.

*Requires completion of one or more GE Areas. Please see the catalog for more details.

**Requires completion of additional pre-requisite courses. Please see the catalog for more details.

Indicates co-requisite course
