

**Earth & Environmental Sciences Department
2019/2020 Schedule**

Summer 2019	
Course	Name
GEOL 340	The Oceans
ENSC 280	Humans and the Environment in California

Fall 2019	
Course	Name
GEOL 100	Earth Systems Science
GEOL 101	Introduction to Earth Sciences
GEOL 102	Earth Sciences Lab
GEOL 120	Introduction to Oceanography
GEOL 210	Physical and Environmental Geology
GEOL 260	Introduction to GIS in Earth and Environmental Sciences
GEOL 310	Geology of the Western National Parks
GEOL 330	Weather and the Atmosphere (Concord Campus)
GEOL 340	The Oceans
GEOL 341	General Oceanography
GEOL 361	Igneous and Metamorphic Petrology
GEOL 490	Independent Study
GEOL 622	Seismic Exploration
GEOL 691	University Thesis
ENSC 220	Warming Planet, Rising Seas, and Global Change
ENSC 235	Disasters on Earth and Hollywood
ENSC 240	Environmental Biology
ENSC 241	Environmental Biology Lab
ENSC 280	Humans and the Environment in California
ENSC 320	The Science of Global Change
ENSC 490	Independent Study
SCI 308	HOST Lab

Spring 2020	
Course	Name
GEOL 100	Earth Systems Science
GEOL 101	Introduction to Earth Sciences
GEOL 102	Earth Sciences Lab
GEOL 120	Introduction to Oceanography
GEOL 210	Physical and Environmental Geology
GEOL 310	Geology of the Western National Parks
GEOL 330	Weather and the Atmosphere
GEOL 340	The Oceans
GEOL 361	Igneous and Metamorphic Petrology
GEOL 381	Structural Geology
GEOL 490	Independent Study
GEOL 602	Graduate Seminar
GEOL 641	Earthquake Geology
ENSC 235	Disasters on Earth and Hollywood
ENSC 240	Environmental Biology
ENSC 280	Humans and the Environment in California
ENSC 320	The Science of Global Change
ENSC 350	Environmental Hydrology
ENSC 420	Global Change
ENSC 499	Capstone Seminar Geoscience
