

Michael V. Stanton

San Francisco Bay Area, CA

michael.stanton@csueastbay.edu

EDUCATION AND TRAINING

Stanford University and Veterans Affairs Palo Alto Palo Alto, CA 2013 – 2016
Fellowship, Clinical and Research: Behavioral Medicine Focus

Stanford University Graduate School of Business Palo Alto, CA 2016
Graduate Certificate, Ignite Entrepreneurship Program,

Duke University Durham, NC GPA: 3.9 2013
Ph.D. and M.A. Clinical Psychology: Behavioral Medicine track

Veterans Affairs Palo Alto (Stanford University affiliate) Palo Alto, CA 2012 – 2013
Pre-doctoral Internship, Clinical Psychology: Behavioral Medicine Track

Brown University Providence, RI GPA: 3.8 2002
Honors: **Magna Cum Laude**
Bachelor of Arts: Double Major in Psychology & Africana Studies

School for International Training Dakar, Senegal 2001

Milton Academy Milton, MA 1998

LICENSURE AND CREDENTIALING

Licensed Psychologist, California PSY 27402 2015 – present

GRANTS AND FELLOWSHIPS

- Grant Proposal Development (GPD) program, Cal State East Bay - \$7,000 approx. 2022 – 2023
- NIH NHLBI PRIDE Research in Implementation Science for Equity (RISE) Fellow 2021-22
University of California, San Francisco - \$10,000
- CSR Student Researcher Training Program (SRTP) - \$4,800 2020
- Faculty Support Grant (FSG), CSU East Bay - \$7,000 2019
- Robert Wood Johnson Fellowship New Connections Network - \$5,000 2019
- Computing Community Consortium (CCC) Workshop on Sociotechnical Interventions for Health Disparity Reduction - \$5,000 2018
- Robert Wood Johnson Fellowship New Connections Network - \$5,000 2018
- National Institute of Health Summer Institute - \$20,000 2015
- National Register Credentialing Scholarship - \$1000 2015
- “Treating Chronic Pain in Gulf War Illness” CDMRP grant (15%) – \$603,663 2014
- Duke Endowment Fellowship - \$22,00 yearly for 5 years 2007 – 2012
- FHI Graduate Digital Scholarship Initiative seed grant - \$500 2011 – 2012
- Vienna, Austria International Summer Institute - \$1,710 2011
- Vienna, Austria International Summer Institute - \$1,710 2010
- Society of Multivariate Experimental Psychology Minority Fellowship - \$1,150 2010
- Quantitative Training Scholarship American Psychological Assoc. - \$1,500 2009
- Minority Initiative Scholarship. American Psychosomatic Society - \$1,500 2009
- U.S. Fulbright grant (w/competitive extension grant) - \$28,000 2005

- Verizon/GTE Fellowship - \$5,000 2000
- UTRA Brown University research grant - \$5,000 1999

HONORS

- 3rd prize and 2 honor citation posters American Psychosomatic Annual Meeting 2020
- Robert Wood Johnson TECHquality Health 2.0 program 2017
- Winner of Social Enterprise Alliance (Bay Area) Pitch Competition 2015
- Swami Kuvalyananda Research Scholarship Award 2015
- Intermediate Level - American Society of Clinical Hypnosis 2013
- Honorable Mention, National Science Foundation Graduate Fellowship 2008, 2009
- Honorable Mention, Ford Foundation Diversity Fellowship 2007, 2009

POSTERS/PRESENTATIONS

MENTORED STUDENT RESEARCH

- “Representation of Diverse Body Mannequins on Store Displays.” California State University, East Bay. Virtual Research Symposium at the Center for Student Research. April 2022.
- “COVID-19 Coping Mechanisms.” Center for Student Research. California State University East Bay. Virtual Research Symposium at the Center for Student Research. April 2021.
- Official Virtual Citation Winner 3rd Prize** - “Family stress in adolescence predicts adult obesity 14 years later.” Annual Meeting of the American Psychosomatic Society. Virtual. December 2020.
- Official Virtual Citation Selection Prize** - “Association between covid-19 stressors and health behaviors over time: negative emotions and coping as serial mediators.” Annual Meeting of the American Psychosomatic Society. Virtual. December 2020.
- “American Indian youth and obesity in California.” California State University, East Bay. Virtual Research

- Symposium at the Center for Student Research. Hayward, CA. April 2020.
- “Investigating which types of early life stress contribute to the development of adult obesity.” California State University, East Bay. Virtual Research Symposium at the Center for Student Research. Hayward, CA. April 2020.
- “A systematic review of interventions to increase empathy among medical school students.” Annual Meeting of the American Psychosomatic Society. Vancouver, Canada. March 2019.
- “Undergraduates, empathy, and the medical humanities: using art and literature to develop cognitive Empathy in pre-clinical education” Annual Meeting of the American Psychosomatic Society. Vancouver, Canada. March 2019.
- “Hillbilly heroin: stigma as a potential obstacle to addressing the opioid epidemic” Annual Meeting of the American Psychosomatic Society. Vancouver, Canada. March 2019.
- “Undergraduates, empathy, and the medical humanities: using art and literature to develop cognitive Empathy in the health sciences.” California State Polytechnic University. 20th Annual CSU Symposium on University Teaching. Pomona, CA. April 2018.
- “A systematic review of interventions to increase empathy among medical school students.” California State Polytechnic University. 20th Annual CSU Symposium on University Teaching. Pomona, CA. April 2018.
- “Stigma, meaning-making, and public policy.” California State University, East Bay. Research Symposium at the Center for Student Research. Hayward, CA. April 2017.

PRESENTATIONS

- “Anti-Black Racism and Behavioral Medicine: Confronting the Past to Envision the Future” All Day Pre-Conference Workshop. Annual Meeting of the American Society of Psychosomatic Medicine. Long Beach, CA. April 2022.
- “Anti-Black Racism and Behavioral Medicine: Confronting the Past to Envision the Future.” Harvard Medical School Division on Addictions. Invited Talk. February 2021.
- “Cerebrovascular and Pathological Findings In Police Chokehold Fatalities.” American Stroke Association International Stroke Conference 2021. Virtual Conference. February 2021.
- “Sometimes, you actually have to talk to people: Face-to-face communication” Center for Student Research. California State University, East Bay. Hayward, CA. November 2018.
- “Obesity is Associated with Age-Related Hippocampal Volume Reduction” University Library Lecture Series. Hayward, CA. September 2018.
- “The effect of a text message-based intervention on attendance, adherence, weight loss, and diet quality.” Annual Meeting of the Society of Behavioral Medicine. New Orleans, LA. April 2018.
- “Veteran obesity linked with age-related hippocampal volume reduction.” Annual Meeting of the American Psychosomatic Society. Seville, Spain. March 2017.
- “Stigma, meaning-making, and public health policy.” Annual Meeting of the American Psychosomatic Society. Seville, Spain. March 2017.
- “Obesity is associated with age-related hippocampal volume reduction.” Stanford University School of Medicine Neuroscience Forum. Stanford, CA. June 2016.
- “Behavioral medicine treatment for chronic pain.” WRIISC Veterans Affairs National Webinar Series. Palo Alto, CA (Nationally Televised). November 2015.
- “Preliminary results from a clinical yoga program for veterans: evidence for effectiveness in treating pain.” Symposium on Yoga Research. Stockbridge, MA. September 2015.
- “Obesity in veterans is associated with changes in hippocampal morphology.” Cognitive Neuroscience Society. San Francisco, CA. March 2015.
- “Mindfully eating, mindful living: combining mindfulness and cognitive behavioral therapy for weight Loss in veterans. Protocol overview and preliminary results.” 13th Annual Stanford Community Health Symposium. Stanford, CA. January 2015.
- “Behavioral medicine treatment for chronic pain.” WRIISC Veterans Affairs National Webinar Series. Palo Alto, CA (Nationally Televised). November 2014.
- “Adherence and differentiation issues with low-fat vs. Low-carb weight loss diets – limbo-titrate-quality.”

- The Obesity Society. Boston, MA. November 2014.
- “Weight loss on low-fat vs. Low-carbohydrate diets by insulin resistance status among overweight and obese Adults: a randomized pilot trial.” The Obesity Society. Boston, MA. November 2014.
- “Behavioral medicine chronic pain management.” Hand Surgery Conference, Stanford University School of Medicine. Stanford, CA. June 2014.
- “Self-regulatory theory and weight-loss maintenance.” Society of Behavioral Medicine. Philadelphia, PA. April 2014.
- “Socioeconomic stress by dopamine receptor 2 gene interactions in the development of obesity.” Society of Behavioral Medicine. San Francisco, CA. March 2013.
- “Reward regulating gene by environment interactions in the development of obesity.” Psychiatry Grand Rounds, VA Palo Alto Healthcare System. Palo Alto, CA. November 2012.
- “Perceived discrimination and optimism predict cardiovascular reactivity to anger recall in African Americans with sickle cell disease.” Society of Behavioral Medicine. New Orleans, LA. April 2012
- “Cardiovascular reactivity to anger recall predicts healthcare utilization in African Americans with sickle Cell disease.” Society of Behavioral Medicine. New Orleans, LA. April 2012.
- “Perceived discrimination, optimism and cynicism in African-American patients with sickle cell disease: i. Effects on cardiovascular reactivity to anger recall.” Am. Psychosomatic Society. Portland, OR, March 2010.
- “A biopsychosocial pathway linking discrimination, cardiovascular responses to stress, and health outcomes in sickle cell disease.” Duke University Graduate Research Conference. Durham, NC, March 2010.
- “Perceived discrimination, optimism, cynicism & cardiovascular reactivity to anger recall in African American Patients with sickle cell disease: ii. Clinical course.” Am. Psychosomatic Society. Portland, OR, Mar. 2010.
- “Socioeconomic status moderates the association between John Henryism and NEO PI-R personality domains.” American Psychological Association (QTUG). Toronto, Canada, August 2009.
- “Joint effects of functional polymorphisms of serotonin transporter and MAOA-UVNTR genes on hostility levels in men.” American Psychosomatic Society. Chicago, IL, March 2009.
- “Un nouveau modèle de syndrome de la dépendance.” XVIèmes Journées Médicales at Cheikh Anta Diop University. Dakar, Senegal, February 2006.
- “Trends in gambling studies research: quantifying, categorizing, and describing citations.” Harvard Medical School Department of Psychiatry poster session. Boston, MA, March 2005.
- “Parallel bargains for consumer-based information exploration and choice.” ACM Symposium on User Interface Systems and Technology. Orlando, Florida, Nov. 2001.
- “The effect of unpacking on typical and atypical probability judgments.” Brown University UTRA (research grant) poster session. Providence, RI, July 1999.

PROFESSIONAL EXPERIENCE

Health Sciences / Public Health Dept., California State University, East Bay Hayward, CA 2016 – present
Assistant Professor (Tenure-Track) and Psychologist for Post-Bac Program

- Serve on Department Retention, Tenure, and Promotion (RTP) committee
- Serve as Chair of Health Sciences Dept. Tenure-Track Search committee
- Manage own research lab w/5 students each year exploring stress, eating behavior and obesity.
- Publish scientific articles in leading academic journals.
- Present findings at leading domestic & international conferences.

CodeWalker Academy San Francisco, CA 2015 – 2018
Co-Founder and current Board Member

- Provided tech career coaching (resume, interview, network), skill acquisition, and portfolio building
- Pitched to investors, develop corporate partnerships, interview/hire employees.
- Taught weekend-long coding and emotional intelligence workshops to classes of 20+ students.
- Incorporated new business, file legal paperwork, and hold board meetings.

Stanford University/WRIISC VA Health Care System Palo Alto, CA 2013 – 2016
Postdoctoral Fellow

- Designed and executed study of mindfulness to treat weight loss among veterans.

- Investigated impact of genetics and environment on weight loss in 600-person Stanford study.
- Drafted grants, IRB applications, and published findings in top journals.
- Analyzed and code data programming, presented findings at international conferences.

U.S. Student Fulbright Grant (Full grant + extension grant) Senegal, West Africa 2006 – 2007
Researcher

- Translated (2 local languages) and adapted WHO surveys for use in urban and rural Senegal.
- Designed and implemented cross-cultural research methodology and data collection.
- Established partnerships with local NGO's to gather research resources and published results.
- Conducted extensive online and on-site textual research in West Africa.

Somerville Homeless Coalition Somerville, MA 2007
Technical Coordinator

- Incorporated advanced computer technology into project operations.
- Integrated past accounting and development records into a more consolidated file system.

Harvard Medical School, Division on Addictions Boston, MA 2003 – 2005
Technical Research Coordinator

- Published 4 research manuscripts and monthly peer-reviewed articles in Harvard web journal.
- Created/maintained interactive public websites and designed innovative research technology.
- Submitted federal and institutional grant applications as well as IRB materials.
- Coded programming software for use in research projects (BLAISE, JavaScript...).
- Analyzed statistics and designed research incorporating innovative technology.

Chatham Partners Newton, MA 2002 – 2003
Technical Research Analyst

- Served as key contact for Fortune 500 companies (e.g., Prudential, Citigroup, Deutsche Bank).
- Led as Head Technology Manager in charge of troubleshooting all server, application, tech issues.
- Calculated analytics to recommend direction of billion dollar investments.
- Served as Company Purchaser in charge of negotiating and purchasing all supplies/new technology.

Verizon Laboratories Waltham, MA 2000
User Experience (UX) Researcher

- Collaborated with Ph. D. programmers to create cutting-edge yet user-friendly web tool.
- Constructed unique and specialized consumer product usability experiments.
- Published analyses and findings in business journal.

Simpli.Com (sold to NetZero™) Providence, RI 1999-2000
Independent Research Consultant

- Collaborated with professors and Ph.D. researchers to create first innovative search engine.
- Designed programs to select specific data to import into search engine.
- Company sold to NetZero for \$23.5 million.

Brown University Cognitive Science Department Providence, RI 1999
Head Researcher

- Designed own research project on asymmetric dominance and decision-making.
- Recruited and ran subjects on protocol.
- Collected and analyzed data.

Undergraduate Teaching and Research Assistantship (UTRA; competitive grant) 1999

- Designed research project on decision-making and probabilities and ran subjects.
- Drafted presentation for poster session and presented findings.

Research Assistant 1999

- Recruited and ran subjects on natural/unnatural categorization task.
- Analyzed data and presented results to regular lab meetings.

TEACHING EXPERIENCE

- Health Sciences Dept., California State University, East Bay** Hayward, CA 2016 – present
Assistant Professor (Tenure-Track)
- Teach 32 courses at CSUEB including 14 new course preparations
 - Instruct classes of 15-200 students (e.g., Public Health, Health Behavior Theory, Multicultural Health).
 - Adapt novel curricula, converting online to in-person class.
 - Convert classes from quarter to semester. From Health Sciences Dept to Public Health Dept.
 - Obtain state-of-the-art pedagogical training with HIP, ACUE, other teaching workshops.
 - Develop novel Public Health and Psychology syllabi for the Health Sciences Dept.
 - Mentor students on research projects focused on obesity and weight loss interventions.
- Stanford University/ VA Health Care System** Palo Alto, CA 2013 – 2016
Postdoctoral Fellow
- Led monthly Stanford and VA Grand Rounds.
 - Created and implemented Nationwide Veterans Affairs Continuing Education workshops/seminars.
 - Supervised multiple Stanford/Palo Alto University psychology graduate students.
 - Established and led many clinical groups on weight loss, mindfulness, and yoga.
 - Gain teaching/supervision expertise through year-long specialized training.
- VA Health Care System** Palo Alto, CA 2012 – 2013
Behavioral Medicine Resident
- Directed clinical groups on insomnia, severe mental illness, addiction, weight loss.
 - Supervised Palo Alto University psychology graduate students.
 - Presented monthly seminars in Behavioral Medicine and Inpatient Psychiatry.
- Duke University** Durham, NC 2008 – 2012
Buddhist Community (BCD)
Former President & Current Program Coordinator
- Innovated programming and coordinated lecture schedule and visiting speakers.
 - Led regular lectures and guided meditations.
- Trinity School - undergraduate** 2008 – 2012
Guest Lecturer
- Designed lecture and presented for Duke University class.
 - Classes include: Human Genetics, Indian Religions, Religious Traditions, Meditation.
- Introductory Psychology** 2010
Teaching Assistant
- Prepared and led lecture for 200+ students.
 - Assisted development of course, graded tests and papers.
- Advanced Developmental Psychology** 2009
Teaching Assistant
- Crafted original curriculum and led own weekly 30-person section.
 - Developed and graded tests, papers, and weekly assignments.
- AVID/STEPS (College Prep for underserved minority high school students)** Durham, NC 2007 – 2008
Course Designer and Lecturer
- Built school-based curriculum for guiding students in the college application process.
