on this form and save to upload file to Department Application]

Applicant Name: \_\_\_\_\_

Please write a statement of purpose that addresses AT LEAST three of the following dimensions of leadership by describing your leadership in terms of beliefs, experiences, and goals for developing your capacity as a bold, socially responsible leader. The leadership dimensions we are interested in learning about include:

- Teaching and learning for equity and high achievement
- Collaboration and learning community
- A culture of inquiry and continuous improvement
- Ethical caring and reflective practice
- Engaging families of students and community involvement
