

The CSU will implement the CFS 9.2 MP 3.0 FLUID USER INTERFACE PHASE II upgrade to our PeopleSoft Financials system in just a few weeks. **Please watch the video and review the documents attached to familiarize yourself with these updates.**

IMPORTANT DATES:

Friday, April 24th 6:00 p.m.

PeopleSoft Financials - CFS Data Warehouse & CFS Production will be inactive.

CMS will be performing a system-wide upgrade for the Fluid Interface Phase II and users will not have access to CFS from Friday, April 24th 6pm until Monday, April 27th at 8am.

Monday, Apr 27th 8:00 a.m.

Both Data Warehouse and CFS Production will be reactivated

CHANGES AND UPDATES

- Access PeopleSoft application across multiple form factors
- Several different paths for users to access functionality
- Users can personalize navigation to accommodate organization
- Significantly improves efficiency over the Classic UI
- Reduces new users' navigation learning curve
- Facilitates customized business process and training
