**Julissa says:** it's a community where I feel supported and empowered every day. I've met incredible people who genuinely care, and that **sense of belonging** has made all the difference.

**Colby says:** career fairs that East Bay hosts every semester **helps me to network with companies** that I can potentially intern for in the future.

**Hayli says:** working closely with faculty on projects that **deepened my understanding of real world applications** in my field of study

**Devon says:** East Bay helped me transition from feeling lost and limited, to **accomplished, found, and forever unlimited.**
