

Associate Degree for Transfer (ADT) Students

Major

- Obtain your ADT major roadmap from your major academic department or from the ADT Advisor in the General Education Office, located in SA 1500, (510) 885-2941
- Meet with you major advisor and the ADT Advisor regularly

General Education

- **B6** – Upper Division Science
- **C4** – Upper Division Humanities
- **D4** – Upper Division Social Science
- *All lower division GE requirements are completed as part of AA-T/AS-T coursework*

Graduation Degree Requirements

- **American Code/Institutions*** – US History, US Constitution and California state and local government
- **2nd English Composition*** – English 200 or equivalent
- **University Writing Skills Requirement** - demonstrate writing competency at the university level by passing the WST *OR* passing a first-tier writing course and possibly a second-tier course
- **3 Overlays** - a) Diversity, b) Social Justice, c) Sustainability
- **Required Semester Unit Minimums:**
 - 30 CSUEB Units (taken in residence), 9 of these must be GE units
 - 40 Upper Division Units
 - 120 Total Units

Associate Degree for Transfer (ADT) Frequently Asked Questions

What is an ADT student?

An Associate Degree for Transfer (ADT) student has earned their AA-T or AS-T from a California Community College. Through SB 1440, the Student Transfer Achievement Reform (STAR) Act, students are given guaranteed admission into the California State University (CSU) system. Students who have earned a verified Associate Degree for Transfer (AA-T or AS-T) from a California Community College, and who have been admitted to a Cal State East Bay major that is deemed similar, are guaranteed to complete their baccalaureate degree within 60 semester units.

How do I maintain the ADT/STAR Act guarantee of completing a CSUEB bachelor's degree in 60 semester units?

To maintain the ADT/STAR Act guarantee of completing a CSUEB bachelor's degree in 60 additional semester units, students are required to:

- Continue in the AA-T or AS-T similar major in which they were admitted to CSUEB. Changing the major or adding a second major or a minor that is not required for the major will **void the guarantee**.
- Pass the courses attempted that count toward the guaranteed 60 semester units at CSUEB with appropriate grades. Meet any specific academic progress requirements that are set by individual academic programs. Repeating courses will not count toward the 60 semester unit guarantee.
- Register at your appointed time. Any delays in registering may limit your course choices and adversely affect compliance with the agreement.
- Satisfy all CSUEB graduation requirements. You may have met some of these at the community college. Please meet with an advisor to be sure you have a plan to complete these requirements as part of your 60 semester units at Cal State East Bay.
- Meet regularly with your Major Advisor in your academic program and the ADT Advisor in the GE Office to ensure you are following your ADT major roadmap* and are satisfying all other requirements.

What if I change my major after I applied for admission or while I am a student attending Cal State East Bay?

If you change your major to a major not related to your Associate Degree for Transfer, you may be required to complete more than 60 semester units in order to graduate. In addition, you may have to complete additional lower division coursework for the new major. You will not, however, be required to complete additional lower division General Education requirements. It is highly recommended you make an appointment with your Major Advisor and the ADT Advisor prior to initiating any changes to your academic plan.

Where can I go for advising?

All ADT students should meet with their Major Advisor for requirements specific to their major. Major Advising information can usually be found on your academic department's website. ADT students should also meet with the ADT Advisor in the GE Office, located in SA 1500, (510) 885-2941, for GE/Graduation Degree advising and SB 1440 compliance.

As an ADT student, what General Education (GE) requirements do I have to complete? Are there any other requirements?

Please see the reverse side of this document.

*The ADT roadmap is not intended to replace academic advising and should be used in conjunction with the Degree Audit Report found in your MyCSUEB account.
