INDEPENDENT AUDITORS' REPORT

Board of Directors Cal State East Bay Educational Foundation, Inc. Hayward, California

Report on the Audit of the Financial Statements Opinions

We have audited the accompanying financial statements of the business-type activities and fiduciary activities of Cal State East Bay Educational Foundation, Inc. (the Educational Foundation), a component unit of California State University, East Bay, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the Educational Foundation's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and fiduciary activities of Cal State East Bay Educational Foundation, Inc., as of June 30, 2025, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Educational Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Educational Foundation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Educational Foundation's internal control. Accordingly, no
 such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Educational Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Educational Foundation's basic financial statements. The schedule of net position, the schedule of revenues, expenses, and changes in net position, other information, and note to supplementary information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the accompanying schedule of net position, the schedule of revenues, expenses, and changes in net position, other information, and note to supplementary information, is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the Cal State East Bay Educational Foundation, Inc.'s 2024 financial statements, and we expressed unmodified audit opinions on the respective financial statements of the business-type activities and fiduciary activities in our report dated September 25, 2024. In our opinion, the summarized comparative information presented herein, as of and for the year ended June 30, 2025, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2025, on our consideration of the Educational Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Educational Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Educational Foundation's internal control over financial reporting and compliance.

CAL STATE EAST BAY EDUCATIONAL FOUNDATION, INC. MANAGEMENT'S DISCUSSION AND ANALYSIS YEAR ENDED JUNE 30, 2025 (UNAUDITED)

This section of Cal State East Bay Educational Foundation, Inc.'s (the Educational Foundation) annual financial report includes some of management's insights and analyses of the Educational Foundation's financial performance for the year ended June 30, 2025. This discussion has been prepared by management and should be read in conjunction with the financial statements and notes.

Financial Highlights

- Total assets decreased overall by \$1.2 million primarily due to a \$2.2 million decrease in current assets offset by a \$1.1 million increase in noncurrent assets. The decrease in current assets was driven by a decrease in current pledges receivable. The noncurrent assets increased primarily from an increase in endowment investments.
- Net operating loss decreased by \$8.7 million this year, primarily due to a \$2.6 million decrease in capital gifts offset by a \$2.8 million increase in additions to permanent endowments and a \$8.9 million decrease in contributions supporting University activities—mainly for the Braddock Center (formerly the Applied Science Center).
- Nonoperating revenues increased by \$551,000 due to an increase in the investment portfolio from an improved financial performance in the current year as compared to the prior year.

Overview of the Financial Statements

The annual report consists of a series of financial statements, prepared in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 35, Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities. This standard is applicable to the Educational Foundation because it is a component unit of California State University, East Bay (the University). Consistent with the University, the Educational Foundation has adopted the Business-Type Activity (BTA) reporting model to represent its activities.

The financial statements include the statement of net position; the statement of revenues, expenses, and changes in net position; and the statement of cash flows. All sections should be considered together to obtain a complete understanding of the financial picture of the Educational Foundation. The discussion has been prepared by management and should be read in conjunction with the basic financial statements and accompanying notes.

Statement of Net Position: The statement of net position includes all assets and liabilities of the Educational Foundation. It is prepared under the accrual basis of accounting, whereby revenues and receivables are recognized when the service is provided and expenses and liabilities are recognized when incurred, regardless of when cash is exchanged. It also identifies major categories of restrictions on the net position of the Educational Foundation.

Statement of Revenues, Expenses, and Changes in Net Position: The statement of revenues, expenses, and changes in net position presents the revenues earned and expenses incurred during the year on an accrual basis.

CAL STATE EAST BAY EDUCATIONAL FOUNDATION, INC. MANAGEMENT'S DISCUSSION AND ANALYSIS YEAR ENDED JUNE 30, 2025 (UNAUDITED)

Statement of Cash Flows: The statement of cash flows presents the inflows and outflows of cash, summarized by operating, noncapital financing, capital and related financing, and investing activities. The statement is prepared using the direct method of cash flows and, therefore, presents gross rather than net amounts for the year's operating activities.

Notes to Financial Statements: The notes to financial statements provide additional information that is essential to a full understanding of the data provided in the Educational Foundation's financial statements. The notes are included immediately following the basic financial statements within this report.

A summary of key financial statement information is presented below:

Statements of Net Position June 30, 2025 and 2024

	2025	2024
Assets:		
Current Assets	\$ 10,093,032	\$ 12,277,486
Noncurrent Assets	23,206,247	22,189,868
Total Assets	\$ 33,299,279	\$ 34,467,354
Liabilities:		
Current Liabilities	\$ 185,436	\$ 100,024
Noncurrent Liabilities	<u> </u>	13,086
Total Liabilities	185,436	113,110
Net Position:		
Net Investment in Capital Assets	212	288
Restricted:		
Nonexpendable	20,303,084	16,876,720
Expendable	11,676,030	16,571,027
Unrestricted	1,134,517	906,209
Total Net Position	33,113,843	34,354,244
Total Liabilities and Net Position	\$ 33,299,279	\$ 34,467,354

Assets

Current assets decreased overall by \$2.2 million, or 18%, primarily due to a \$3.7 million decrease in the current pledges receivable, offset by a \$2.4 million increase in investments.

Noncurrent assets increased by \$1.0 million, or 5%. This is primarily due to a \$3.4 million increase in endowment investments, offset by a \$2.4 million decrease in the noncurrent pledges receivable.

Liabilities

Current liabilities increased by \$85,000, or 85%, due to an increase in the accounts payable balance resulting from timing of recurring payments as compared to the prior year.

CAL STATE EAST BAY EDUCATIONAL FOUNDATION, INC. MANAGEMENT'S DISCUSSION AND ANALYSIS YEAR ENDED JUNE 30, 2025 (UNAUDITED)

Net Position

Net position decreased by \$1.2 million, or 4%, mainly from the expendable net position decrease of \$4.9 million, due to the spending of contributions and pledges, offset by a \$3.5 million increase in nonexpendable net position which came from additions to permanent endowments received during the year.

Statements of Revenues, Expenses, and Changes in Net Position Years Ended June 30, 2025 and 2024

	2025	2024
Operating Revenues	\$ 7,211,527	\$ 7,210,496
Operating Expenses	10,691,156	19,430,209
Operating Loss	(3,479,629)	(12,219,713)
Nonoperating Revenues	2,239,228	1,687,715
Decrease in Net Position	(1,240,401)	(10,531,998)
Net Position - Beginning of Year	34,354,244	44,886,242
Net Position - End of Year	\$ 33,113,843	\$ 34,354,244

Revenues and Expenses

Operating revenues remained consistent with the prior year

Operating expenses decreased by \$8.7 million, or 45%, mainly due to the decrease of the operating expenses attributable to the Braddock Center capital project.

Nonoperating revenues increased by \$551,000, or 33%, due to an increase in the investment portfolio from an improved financial performance in the current year as compared to the prior year.

Outlook

The Educational Foundation expects a significant decrease in expenses following the projected completion of the Braddock Center capital project in the 2026 fiscal year.

Request for Information

The financial report is designed to provide a general overview of the Educational Foundation's finances. For questions concerning any information in this report or for additional financial information, contact Nicole Yu, University Controller, California State University, East Bay, 25800 Carlos Bee Boulevard, Hayward, California 94542 or call 510-885-7363.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

Cal State East Bay Educational Foundation, Inc. (the Educational Foundation) is a California tax-exempt, nonprofit corporation organized in 1963 as the Cal State-Affiliates to support California State University, East Bay (the University). The Educational Foundation promotes private sector support for educational activities to supplement state support. Contributions to the Educational Foundation support scholarships and other University programs.

B. Financial Reporting Entity

The basic financial statements include the accounts of the Educational Foundation. The Educational Foundation is a government organization and is also a component unit of the University, a public university under the California State University system. The Educational Foundation has chosen to use the reporting model for special-purpose governments engaged only in business-type activities.

C. Basis of Presentation

The basic financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB). Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Voluntary nonexchange transactions are recognized as revenue as soon as all eligibility requirements have been met.

D. Fiduciary Activities

The Educational Foundation is the custodian of investments held for the California State University East Bay, Alumni Association. These activities are presented in a separate statement of net fiduciary position and statement of changes in fiduciary net position.

E. Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

F. Cash and Cash Equivalents

The Educational Foundation considers highly liquid investments with a maturity of three months or less to be cash and cash equivalents.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

G. Pledges Receivable

Pledges that are expected to be collected within one year are reflected as current and are recorded at their net realizable value. Pledges that are due in subsequent years are reflected as noncurrent and are discounted to their present value using risk-adjusted rates. The discount rate for the year ended June 30, 2025 was 4.76%. Allowance for uncollectible pledges is provided based on management's judgment, considering such factors as prior collection history, type of contribution, relationship with the donor, and other relevant factors.

H. Investments

Investments are reflected at fair value using quoted market prices. Earnings, gains, and losses are included in the statement of revenues, expenses, and changes in net position as investment gains (losses), net or investment income, net. Earnings, gains, or losses on donor-restricted endowments are available or deducted from donor-designated purposes, primarily scholarships, and are presented separately under nonoperating revenues (expenses) in the accompanying statement of revenues, expenses, and changes in net position.

Consistent with Cal State East Bay Educational Foundation's Endowment and Investment Policy Statement (Document No.301), restricted endowment funds are funds for which the donor specifies how the endowed income will be used. Donor gift agreements direct that Restricted Nonexpendable Endowments are to be held in perpetuity with only the investment returns being available for use in accordance with the Educational Foundation's endowment spending policy. As such, the investments attributable to the Restricted Nonexpendable Endowments are classified as long-term.

I. Capital Assets

Capital assets are stated at cost, net of accumulated depreciation. Expenses for maintenance and repairs are charged against operations. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets of three years.

Subscription-based information technology agreements (SBITA) assets are initially measured as the sum of the present value of payments expected to be made during the subscription term, payments associated with the SBITA contract made to the SBITA vendor at the commencement of the subscription term, when applicable, and capitalizable implementation costs, less any SBITA vendor incentives received form the SBITA vendor at the commencement of the SBITA term. SBITA assets are amortized in a systematic and rational manner over the shorter of the subscription term or the useful life of the underlying IT assets.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

J. In-Kind Contributions

In-kind contributions are composed of miscellaneous tangible items and reported at fair value. All items greater than \$5,000 require professional appraisal and the remainder are valued by the donor.

K. Net Position

The Educational Foundation's net position is classified into the following categories:

Restricted – Expendable – Net position subject to externally imposed conditions that can be fulfilled by the actions of the Educational Foundation or by the passage of time.

Restricted – Nonexpendable – Net position subject to irrevocable donor restrictions requiring that the assets be maintained in perpetuity for the purpose of generating investment income to fund the agreed-upon purpose of the donor's gift.

Unrestricted – All other categories of net position, including those net position designated by the board and management.

L. Classification of Revenues and Expenses

The Educational Foundation considers operating revenues and expenses in the statement of revenues, expenses, and changes in net position to be those revenues and expenses that result from exchange transactions or from other activities that are connected directly with the Educational Foundation's primary functions. Exchange transactions include charges for services rendered and the acquisition of goods and services. Certain other transactions are reported as nonoperating revenues and expenses in accordance with GASB Statement No. 35, Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities, an amendment of GASB Statement No. 34. These nonoperating activities include the Educational Foundation's net investment income and interest expense.

M. Services and Facilities

Certain administrative personnel and office facilities provided to the Educational Foundation by the University were subject to reimbursement through the University cost recovery process. As these services and facilities have been priced via an objective valuation process, the related expenses have been reflected in the financial statements of the Educational Foundation as reimbursements to the University.

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

N. Income Taxes

The Educational Foundation is exempt from federal and state corporate income taxes under Internal Revenue Code (IRC) Section 501(c)(3) and California Revenue and Taxation Service Code 23701d. In addition, the Educational Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization that is not a private foundation under Section 509(a)(1). However, the Educational Foundation remains subject to taxes on any net income which is derived from a trade or business, regularly carried on, and unrelated to its exempt purpose.

The Educational Foundation recognizes accrued interest and penalties associated with uncertain tax positions as part of the income tax provision, when applicable. There are no amounts accrued in the financial statements related to uncertain tax positions.

The Educational Foundation files informational and income tax returns in the United States and various state and local jurisdictions. The Educational Foundation's federal income tax and informational returns are subject to examination by the Internal Revenue Service (IRS) and state taxing authorities generally for three and four years, respectively, after the returns were filed.

O. Risks Financing Activities

The Educational Foundation is exposed to various risks of loss related to torts: theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the Educational Foundation carries commercial insurance. The Educational Foundation has not had any significant reduction in insurance coverage, and there have been no claims in excess of coverage, in any of the past three years.

P. Adoption of New Accounting Standard

The Educational Foundation implemented GASB Statement No. 102, *Certain Risk Disclosures*, which enhances the transparency of financial reporting by requiring additional disclosures about certain risks and uncertainties that could affect the entity's financial position or results of operations.

NOTE 2 INVESTMENTS

With respect to its investment decision-making, the Educational Foundation considers factors such as general economic conditions, possible effects of inflation or deflation, expected total return, availability of other resources, the needs of the University, and preservation of capital. Investment decisions are made in the context of the entire portfolio viewed as a whole.

NOTE 2 INVESTMENTS (CONTINUED)

The desired target for distributions from endowment funds for each year will be amounts that, over time, will result in the retention of earnings in the endowments equal to the rate of inflation plus 0% to 5%, after payment of investment, administration fees, and distributions. In order to provide stability in distribution amounts over time, the Educational Foundation's approved overall distribution percentage will be no more than 4% times the average of the quarter-end balances of endowment and quasi-endowment values over the preceding 12 quarters as of March 31.

Primary government investments consist of the following:

	2025	2024
Equity Securities	\$ 14,742,551	\$ 12,465,777
Mutual Funds	4,049,435	3,042,891
U.S. Treasury Securities	3,003,598	1,852,513
Corporate Bonds	2,694,329	1,505,979
Money Market Mutual Funds	714,119	623,467
Municipal Bonds	600,187	484,373
Alternative Investments	1,343,360	1,320,280
Total	\$ 27,147,579	\$ 21,295,280

Primary government nonoperating revenues (expenses), net, consists of the following:

	2025			2024
Realized and Unrealized Gains (Losses)	\$	1,832,866		\$ 1,473,576
Interest and Dividends, Net of Fees		407,116	_	215,371
Total	\$	2,239,982		\$ 1,688,947

A. Credit Risk

Credit risk is the risk that an issuer or other counterparty to a debt instrument will not fulfill its obligations. This is measured by the assignment of ratings by nationally recognized statistical rating organizations. The Educational Foundation's investment policy generally prohibits investments in the following vehicles: private placements, venture capital investments, real estate properties, futures contracts, options, short sales, or margin sales. Investments in cash equivalents, fixed income securities, equity securities, and mutual funds are done in a diversified manner that is risk averse with an objective of minimized risk while obtaining a reasonable return. The Educational Foundation's investment policy dictates a diverse asset allocation as follows: equities (10-80%), fixed income (20-50%), cash (0-10%), and alternative investments (10-35%). The investment consultant is provided a maximum and minimum portfolio target for each asset class to ensure proper diversification and to avoid unnecessary risk.

NOTE 2 INVESTMENTS (CONTINUED)

B. Custodial Credit Risk

Custodial credit risk for deposits is the risk that the Educational Foundation will not be able to recover deposits or will not be able to recover collateral securities that are in possession of an outside party. The California Government Code and Education Code do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits, other than the provision that a financial institution must secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The risk is mitigated in that the Educational Foundation's deposits are maintained at financial institutions that are fully insured or collateralized as required by state law.

C. Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of an entity's investment in a single issuer. In order to maximize the rate of return in Educational Foundation's long-term investment portfolio while preserving capital and limiting concentration of credit risks, the Educational Foundation's investment policy dictates a diverse asset allocation as follows: equities (10-80%), fixed income (20-50%), cash (0-10%), and alternative investments (10-35%).

As of June 30, 2025, the following investments represented 5% or more of the Educational Foundation's investment portfolio: SPDR Portfolio S&P 1500 Comp (\$4,180,734 or 15.3%) and Ishares Core MSCI EAFE ETF (\$3,377,434 or 12.4%).

D. Interest Rate Risk

This is the risk of loss due to the fair value of an investment falling due to interest rates rising. As a means of limiting this exposure, short-term investments are limited to relatively liquid instruments such as certificates of deposit, savings accounts, federally guaranteed notes and bills, and money market mutual funds.

The following indicates the credit and interest rate risk of investments as of June 30, 2025. The credit ratings listed are for Moody's Investor Services.

	Corporate Bonds		
Weighted-Average Duration (in Years)		3.02	
Fair Value	\$	2,694,329	
Aa1-Aa3		97,315	
A1-A3		848,460	
Baa1-Baa3		660,443	
Not rated		1,088,111	

NOTE 2 INVESTMENTS (CONTINUED)

E. Fair Value Measurement and Application

GASB Statement No. 72, Fair Value Measurement and Application, sets forth the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Educational Foundation has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The valuation technique utilized to measure the investments is the market approach using prices and other relevant information generated by market transactions involving identical or comparable assets.

Money Market Funds are not categorized under the fair value hierarchy and are shown at Net Asset Value (NAV). These investments are measured at amortized cost when calculating NAV per share (or its equivalent) of the investment.

Alternative investments are not categorized under the fair value hierarchy and are shown at Net Asset Value (NAV). The Foundation uses NAV as a practical expedient to determine fair value of all underlying investments which (a) do not have a readily determinable fair value; and (b) are in investment companies or similar entities that report their investment assets at fair values.

NOTE 2 INVESTMENTS (CONTINUED)

NOTE 3 PLEDGES RECEIVABLE

Pledge receivables consist of the following:

	 2025	 2024
Receivable in Less Than One Year	\$ 2,295,446	\$ 6,035,763
Receivable in One to Five Years	3,337,356	6,186,780
Less: Allowance for Doubtful Accounts	(18,750)	(12,500)
Less: Discount Factor to Present Value	 (446,900)	(899,047)
Total	\$ 5,167,152	\$ 11,310,996

NOTE 4 RELATED PARTY TRANSACTIONS

The Educational Foundation may enter into transactions with the other California State University, East Bay Auxiliaries (Associated Students, Inc. of California State University, East Bay and the California State University, East Bay Foundation, Inc. (collectively known as the Auxiliaries)) as well as transactions with the University itself.

NOTE 4 RELATED PARTY TRANSACTIONS (CONTINUED)

The Educational Foundation reimburses the University for certain services to Educational Foundation. The fee for these services for the year ended June 30, 2025 was \$81,647. During the year ended June 30, 2025, the Educational Foundation contributed cash gifts and gifts in-kind of \$10,203,849 and \$88,062, respectively, to the University. Fees of \$152,156 for services rendered in relation to these gifts were deducted from the contributions. These amounts are included as contributions to support activities of the University in the accompanying statement of revenues, expenses, and changes in net position.

Accounts receivable (payable) at June 30, 2025:

California State University, East Bay - Receivable California State University, East Bay - Payable	Ψ	1,311 (171,708)
Total	\$	(170,397)

At June 30, 2025, the Educational Foundation had pledge receivables from members and officers of the board of directors in the amount of \$268,004, net of allowances for doubtful accounts and discounts. These pledge receivables are due at various dates through 2028.

NOTE 5 FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying statement of revenues, expenses, and changes in net position. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 6 SUBSCRIPTION-BASED INFORMATION TECHNOLOGY AGREEMENT

The Educational Foundation entered into a subscription-based information technology agreement in August 2023 for the use of an online digital fundraising platform that will expire in August 2026. Total future subscription repayments pursuant to the contract consist of principal and interest payments of \$13,086 and \$700, respectively, for the year ended June 30, 2026.

NOTE 7 CONTINGENCIES AND OTHER RISKS

Private Gifts and Grants Reliance

A significant portion of the Educational Foundation's revenue is derived from private gifts and grants to support its ongoing campus programs and initiatives. The future availability of such funding is subject to the policies, priorities, and budgetary approach of the donors. Any material changes in the donors' stance toward gift and grant allocations could have a direct effect on the scope and continuity of the programs administered by the Educational Foundation, and therefore may impact the financial results and sustainability of these campus services.

CAL STATE EAST BAY EDUCATIONAL FOUNDATION, INC. NOTE TO SUPPLEMENTARY INFORMATION JUNE 30, 2025

NOTE 1 SUPPLEMENTARY SCHEDULES

As an auxiliary organization, the Cal State East Bay Educational Foundation, Inc. is required to include audited supplementary information in its financial statements in the form and content specified by CSU. As a result, there are differences in reporting format between the Educational Foundation's financial statements and supplementary schedules for CSU.
