

### Complete these **steps** to prepare for your arrival

#### 1. Apply for a visa

Please refer to “Preparing for your F-1 visa Interview” link on website above for information about applying for your student (F-1) visa.

#### 2. Activate your NetID

[www.csueastbay.edu/netid](http://www.csueastbay.edu/netid)

Your NetID is your personal Cal State East Bay identification number, which gives you access to online student self-service systems like MyCSUEB website. It was sent to you with your letter of admission. In order to better protect the identity and data of students, CSUEB has implemented multi-factor authentication as an additional security measure, also known on campus as Duo authentication. To enroll your NetID account with Duo, go to: [www.csueastbay.edu/Duo](http://www.csueastbay.edu/Duo) and click on the “Enroll in Duo” button.

#### 3. Check your Horizon email account

[horizon.csueastbay.edu](http://horizon.csueastbay.edu)

Your CSUEB Horizon email account is where University communications are sent.

Access your email with your NetID. Check often for important messages. Horizon email can be forwarded to a personal email account.

#### 4. Pay tuition&fees for your program

Space fills quickly, so submit your form as soon as possible.
