Hello to our illustrious MA candidates,

It is with much pleasure that I write to announce that we are able to offer a David M. Campbell scholarship this year for an interested and qualified student. This is an incredibly generous scholarship, established by a CSUEB alum to the tune of $9,500!

The criteria/suggested criteria are as follows:

1. Be a graduate student majoring in History. If there is not a qualified graduate student, then a junior or senior undergraduate student majoring in History may be considered.
2. Preference to be given to students focusing on public history, or with plans to pursue a career in public history. Special consideration will be given to students who strengthen diversity in professional fields such as librarianship, archival and records management, historical preservation, historical editing, etc.
3. Demonstrate financial need with a completed FAFSA or Dream Act Application, or by submitting a brief essay (<300 words) demonstrating financial need and how this scholarship will help towards graduation.
4. This scholarship is intended for one academic year and may not be renewed.

Applications will include:

1) a no more than one page letter discussing your current interests/research in the MA program, as well as future career aspirations;

2) a statement of financial need as detailed in #3 above.

Applications are due to the Graduate Coordinator, Dr. Linda Ivey, by Oct 15, 2021. Please submit via email to linda.ivey@csueastbay.edu.
