

STUDY HISTORY AT CAL STATE EAST BAY

LEARN THE PAST

UNDERSTAND THE PRESENT

SHAPE THE FUTURE

At East Bay, you will join an active community of scholars dedicated to redefining the way history is imagined, investigated, and presented. As professors and students, we rely on each other to raise new questions, share unique perspectives, engage in rigorous analysis, and generate original histories. We tailor our degree programs to meet a variety of needs and interests, and make sure you understand how to complete them at each step of the way.

CAREERS

We believe that the past is alive all around us. The ability to gather information about it, interpret it, and bring its relevance to bear on decision-making is central to many fields of work today. History faculty equip students with the knowledge, analytical ability, and practical skills they need to become active historians and professionals in a wide range of career settings, including:

PUBLIC HISTORY/ RESEARCHER	PUBLIC SERVICE & GOVERNMENT	BUSINESS & MEDIA	EDUCATION	LAW
<i>Archivist Curator Genealogist Grant writer Librarian or library science professional Museum professional Park ranger Preservationist</i>	<i>Non-profit professional Diplomat/Foreign Service Diversity officer/consultant Elected representative Local, state, or federal government staffer or administrator Data analyst Speech writer</i>	<i>Consultant and strategist Journalist Marketing and social media Publishing Sales Corporate historian Travel guide/ industry expert</i>	<i>Middle/high school teacher University/college professor Curriculum developer Textbook editor Education professional/ administrator Student support specialist/ counselor</i>	<i>Advocate Attorney Legislative Analyst Legal assistant Lobbyist Paralegal Researcher</i>

“The professors are some of the kindest and [most] helpful I’ve ever experienced, you can tell they actually care about each student and their success.”
