COVID Safety FAQ

Q: Who is COVID testing for?
A: All residents are expected to complete an on-campus COVID testing by August 16, 2022. For the academic year, COVID testing will continued to be required weekly for all residents who have not completed the COVID vaccine record submission. Failure to meet expectation will yield in conduct processes and violation of Housing License. On-Campus testing is always an option for any interested residents.

Q: Who needs to wear a mask?
A: Facial coverings are still encouraged. If you had close contact in the past 10 days with someone who has COVID-19, you will be required to wear a mask.

Q: Does Housing have a quarantine protocol?
A: Absolutely. Each case will be individually screened for health and safety requirements and next steps. If a resident meets definition of COVID exposed or tested COVID positive, they will be contacted and informed of resources and expectations to ensure their safety and safety of their community.

Q: If I feel sick, do I need to inform Housing?
A: If you are confirmed COVID positive, you need to tell Housing. Based on a variety of factors from vaccination record, symptoms, exposures, etc, Housing will contact you for next steps and expectations.

Housing Condition Form

Q: What is it?
A: Housing Condition Form, also known as HCF, is used to document the condition of your apartment, both in your bedroom and in communal spaces, upon your initial move-in period. Failure to complete the Housing Condition Form will result in the resident (licensee) taking full ownership of the conditions as listed.

Q: Who should do it?
A: This is a required step for the licensee, so all student residents in contract with University Housing. Please complete the form by logging into your Student Horizon email to complete authentication as the licensee.

Q: When should I do it?
A: Fall residents are expected to complete the form Friday, August 19. Should you move into a new space anytime during the year, you should always complete a new form within five days of check-in.

Q: Who do I ask for help?
A: During move-in weekend, please direct your questions to a staff member in your community and/or visit the Solutions Desk at Housing Lassen Office. Throughout the week, you can also ask your Resident Assistant.

Q: Is it my responsibility to report?
A: As a licensee, you are responsible for reporting any damage or maintenance issues both at your initial move-in period and throughout the year in a timely manner. Proactive reporting of maintenance concerns can alleviate potential damage charges. Learn more about your responsibility on the License Agreement - Housing Contract.

PRO TIP
For personal documentation, we encourage you to take your own pictures to pair with submitted HCF, and send a copy of the photos to your student Horizon email account. Photos are a good source of timestamped condition of the apartment upon your Move-In day. Check with your building staff for a white board to write down location/concern to be captured in your picture. NOTE - Pictures cannot be used in lieu of HCF completion.
