Interview

The following activities will be part of the interview:

1. Mini Interviews

You will have two mini interviews (10-15 minutes) with different SHRL staff members, each focusing on a different topic.

2. Three brief one-on-one conversations (topics will be assigned)

The focus of these 1-1s is on observing how you engage residents with different personalities in a conversation including rapport/trust building and ability to take a conversation deeper.

3. Leading a group activity virtually

The focus of this activity is on observing your style of facilitation, ability to engage a group, and how you interact in a group.

Please go to the link below and select one of the icebreakers to facilitate with your group during the interview. Groups will consist of 4-6 candidates (includes you). You will be given 10 minutes to facilitate your chosen activity from start to finish. It may be helpful to practice prior to the interview to ensure you have a feel of the flow and are able to complete within the allotted time.

Available Application Resources:

We have two resources available for you to utilize and get support in putting together your application materials.

1. Application Virtual Help Desk on November 30 from 3:30-6pm on Zoom

These are open drop in hours where you can talk directly with a staff member about the application and get feedback. You can log on any time during the 2 ½ hour block for support.

- 2. Reach out to a current staff member:** It can be helpful to have a current RHA Board Member or Advisor read over your materials and provide feedback before submitting. If you aren't able to attend the scheduled time above, you can still reach out to any of the RHA Board Members or Shelley on your own time. Please give enough time for the staff member to read materials and respond prior to the application deadline.
