

## Getting Information During an Emergency

1. AlertMe is Cal State East Bay's alerting and warning service for students, faculty and staff. It is activated to contact you when there is an immediate threat to safety or health affecting the campus community. AlertMe can alert you by phone, text message, or email — you choose the best ways to reach you. Keep it updated at:

<https://webapps.csueastbay.edu/secure/websvcs/alertme/>

2. Information will be posted on the following University websites:  
[www.csueastbay.edu](http://www.csueastbay.edu) (home page)  
[www.calstate.edu](http://www.calstate.edu) (CSU System Web site)  
[bb.csueastbay.edu](http://bb.csueastbay.edu) (Blackboard Campus News)
3. Information and instructions will be recorded on the CSUEB Emergency Information line at (510) 885-2000. **DO NOT CALL** Main Campus Switchboard or the University Police
4. Check social media sites  
[www.facebook.com/CalStateEastBay](http://www.facebook.com/CalStateEastBay)  
<http://www.twitter.com/#!/csuebnews>
5. Check your Campus e-mail account for updated emergency messages
6. Check local radio, television stations and their websites such as:  
[www.sfgate.com](http://www.sfgate.com) (San Francisco Chronicle)  
**FM: KCBS 106.9**
