CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION ACT

SUMMARY DOCUMENT AND DISCLAIMER

Residents of California who purchase life and health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the California Life and Health Insurance Guarantee Association ("CLHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guarantee Association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guarantee Association is not unlimited, however, as noted below, and is not a substitute for consumers' care in selecting insurers.

The California Life and Health Insurance Guarantee Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. **However, insurance companies and their agents are prohibited by law from using the existence of the guarantee association to induce you to purchase any kind of insurance policy.**

Policyholders with additional questions should first contact their insurer or agent or may then contact:

The state law that provides for this safety-net coverage is called the California Life and Health Guarantee Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the California Life and Health Insurance Guarantee Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guarantee Association if:

Their insurer was not authorized to do business in this state when it issued the policy or contract;

Their policy was issued by a health care service plan (HMO, Blue Cross, Blue Shield), a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;

They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;

Employer or association plans, to the extent they are self-funded or uninsured;

Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

Any policy of reinsurance unless an assumption certificate was issued;

Interest rate yields that exceed an average rate;

Any portion of a contract that provides dividends or experience rating credits.

LIMITS ON AMOUNT OF COVERAGE

The Act limits the Association to pay benefits as follows:

LIFE AND ANNUITY BENEFITS

80% of what the insurance company would owe under a policy or contract up to \$100,000 in cash surrender values,

\$100,000 in present value of annuities, or

\$250,000 in life insurance death benefits.

A maximum of \$250,000 for any one insured life no matter how many policies and contracts there were with the same company, even if the policies provided different types of coverages.

HEALTH BENEFITS

A maximum of \$200,000 of the contractual obligations that the health insurance company would owe were it not insolvent. The maximum may increase or decrease annually based upon changes in the health care cost component of the consumer price index.

PREMIUM SURCHARGE

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for health insurance policies to which the Act applies.

CALIFORNIA NOTICE OF COMPLAINT PROCEDURE

Should any dispute arise about your premium or about a claim that you have filed, write to the company that issued the group policy. If the problem is not resolved, you may also write to the State of California, Department of Insurance, Consumer Services Division, 300 S. LT.IC.01

DEFINITION OF DISABILITY

You are Disabled if you meet one of the following definitions during the period it applies:

- A. Own Occupation Definition of Disability;
- B. Any Occupation Definition of Disability; or
- C. Partial Disability Definition.

Own Occupation means any employment, business, trade, profession, calling or vocation that involves Material Duties of the same general character as your regular and ordinary employment with the Employer. Your Own Occupation is not limited to your job with your Employer.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation.

A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license, or because you suffer a loss of Predisability Earnings as a result of disclosure of any Physical Disease, Injury, Pregnancy or Mental Disorder.

B. Any Occupation Definition Of Disability

During the Any Occupation Period you are required to be Disabled from all occupations.

You are Disabled from all occupations if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of any gainful occupation for which you are reasonably fitted by education, training and experience.

C. Partial Disability Definition

1. During the Benefit Waiting Period and the Own Occupation Period, you are Partially Disabled when you work in your Own Occupation but, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to earn the Own Occupation Income Level or more.
2. During the Any Occupation Period, you are Partially Disabled when you work in an occupation but, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to earn the Any Occupation Income Level, or more, in that occupation and in all other occupations for which you are reasonably fitted under the Any Occupation Definition of Disability.

You may work in another occupation while you meet the Own Occupation Definition of Disability. If you are Disabled from your Own Occupation, there is no limit on your Work Earnings in another occupation. Your Work Earnings may be Deductible Income. See **Return To Work Incentive and Deductible Income**.

Your Any Occupation Period, Any Occupation Income Level, Own Occupation Period, and Own Occupation Income Level are shown in the **Coverage Features**.

LT.DD.49

RETURN TO WORK INCENTIVE

A. During The Benefit Waiting Period

You may serve your Benefit Waiting Period while working, if you meet either the Own Occupation Definition of Disability or the Partial Disability Definition.

B. After The Benefit Waiting Period

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 24 months after that date, as follows:

1. During the first 24 months, your Work Earnings will be Deductible Income as determined below:
 - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
 - b. Determine 100% of your Indexed Predisability Earnings.
 - c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 24 months, 50% of your Work Earnings will be Deductible Income.

Work Earnings means your gross monthly earnings from work you perform while Disabled, including earnings from your Employer, any other employer, or self-employment. Your earnings will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one. However, if you pay Child Care Expenses during the Child Care Expense Period, Work Earnings means:

1. Your gross monthly earnings from work you perform while Disabled, including earnings from your Employer, any other employer, or self-employment; reduced by
2. The monthly Child Care Expense you pay, not to exceed the Child Care Expense Maximum.

See **Coverage Features** for the Child Care Expense Period and the Child Care Expense Maximum.

Child Care Expense means the amount you pay to a licensed child care provider for the care of your Child which is necessary in order for you to work.

Child means:

1. Your child residing in your home (including your stepchild and an adopted child), from live birth through age 11; or
2. Your child, age 12 or older, residing in your home (including your stepchild and an adopted child) who is continuously:
 - a. Incapable of self-sustaining employment because of mental retardation or physical handicap; and
 - b. Chiefly dependent upon you for support and maintenance.

You must give us proof on our forms of the Child Care Expense you pay. If you do not receive our forms within 15 days after you ask for them, you may give us proof in a letter to us.

Work Earnings will not include any renewal commissions, overwriting renewal commissions, or service fees received on business sold before you become Disabled.

LT.RW.40

REASONABLE ACCOMMODATION EXPENSE BENEFIT

If you are Disabled and return to work in any occupation for any employer, not including self employment, as a result of a reasonable accommodation made by such employer, we will pay that employer a Reasonable Accommodation Expense Benefit as shown in the **Coverage Features**.

The Reasonable Accommodation Expense Benefit is payable only if the reasonable accommodation is approved by us in writing prior to its implementation.

LT.RA.01

TEMPORARY RECOVERY

You may temporarily recover from your Disability, and then become Disabled again from the same cause or causes, without having to serve a new Benefit Waiting Period. Temporary Recovery means you cease to be Disabled for no longer than the applicable Allowable Period.

A. Allowable Periods

1. During the Benefit Waiting Period: a total of 90 days of recovery.
2. During the Maximum Benefit Period: 180 days for each period of recovery.

B. Effect Of Temporary Recovery

If your Temporary Recovery does not exceed the Allowable Periods, 1 through 5 below will apply.

1. The Predisability Earnings used to determine your LTD Benefit will not change.
2. The period of Temporary Recovery will not count toward your Benefit Waiting Period, your Maximum Benefit Period or your Own Occupation Period.
3. No LTD Benefits will be payable for the period of Temporary Recovery.
4. No LTD Benefits will be payable after benefits become payable to you under any other group long term disability insurance policy under which you become insured during your period of Temporary Recovery.
5. Except as stated above, the provisions of the Group Policy will be applied as if there had been no interruption of your Disability.

LT.TR.08X

WHEN LTD BENEFITS END

Your LTD Benefits end automatically on the earliest of 1 through 4 below.

1. The date you are no longer Disabled.
2. The date your Maximum Benefit Period ends.
3. The date you die.
4. The date benefits become payable under any other group long term disability insurance policy under which you become insured during a period of Temporary Recovery.

LT.BE.01

PREDISABILITY EARNINGS

Your Predisability Earnings will be based on your earnings in effect on your last full day of Active Work unless a different date applies (see the **Coverage Features**). Any subsequent change in your earnings will not affect your Predisability Earnings. However, if you receive a retroactive pay increase, Standard will make an adjustment to your Predisability Earnings and retroactively increase your LTD Benefit only if the resolution of The California State University approving such retroactive pay increase occurs within 60 months after the date you become Disabled.

Predisability Earnings means your monthly rate of earnings from your Employer, including:

1. Contributions you make through a salary reduction agreement with your Employer to:
 - a. An Internal Revenue Code (IRC) Section 401(k), 403(b), 408(k), or 457 deferred compensation arrangement; or
 - b. An executive nonqualified deferred compensation arrangement.
2. Commissions averaged over the Earnings Period shown in the **Coverage Features** or over the period of your employment if less than the Earnings Period.
3. Shift differential pay.
4. Amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings does not include:

1. Bonuses.
2. Overtime pay.
3. Your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan.
4. Any renewal commissions, overwriting renewal commissions, or service fees.
5. Any other extra compensation.

If you are paid on an annual contract basis, your monthly rate of earnings is one-twelfth (1/12th) of your annual contract salary.

If you are paid hourly, your monthly rate of earnings is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per month, but not more than 173 hours. If you do not have regular work hours, your monthly rate of earnings is based on the average number of hours you worked per month during the preceding 12 calendar months (or during your period of employment if less than 12 months), but not more than 173 hours.

LT.PD.22X

DEDUCTIBLE INCOME

Subject to **Exceptions To Deductible Income**, Deductible Income means:

1. Classes 1, 2, 4, 5 and 6: Sick pay or other salary continuation as shown in the **Coverage Features**.
Class 3: Sick pay or other salary continuation (but not vacation pay) paid or payable to you by your Employer and any amount you receive or are eligible to receive because of your disability under any other insurance coverage, as determined below:
 - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, add the amount you receive or are eligible to receive from any other insurance coverage because of your disability and your sick pay or other salary continuation to that amount.

- b. Determine 100% of your Indexed Predisability Earnings.
 - c. If a. is greater than b., the difference will be Deductible Income.
2. Your Work Earnings, as described in **Return To Work Incentive**.
 3. Any amount you receive or are eligible to receive because of your disability, including amounts for partial or total disability, whether permanent, temporary, or vocational, under any of the following:
 - a. A workers' compensation law;
 - b. The Jones Act;
 - c. Maritime Doctrine of Maintenance, Wages or Cure;
 - d. Longshoremen's and Harbor Worker's Act; or
 - e. Any similar act or law.
 4. Any amount you, your Spouse, or your children under age 18 receive or are eligible to receive because of your disability or retirement under:
 - a. The Federal Social Security Act;
 - b. The Canada Pension Plan;
 - c. The Quebec Pension Plan;
 - d. The Railroad Retirement Act; or
 - e. Any similar plan, act, or law.

Benefits your Spouse or children receive or are eligible to receive because of your disability are Deductible Income regardless of marital status, custody, or place of residence.

The **Coverage Features** states which one of the following options applies to your Social Security benefits:

- a. Full offset: Both the primary benefit (the benefit awarded to you) and dependents benefits are Deductible Income.
 - b. Primary offset: Primary benefits are Deductible Income, but dependents benefits are not.
 - c. Partial dependents offset: Primary benefits are Deductible Income. Dependents benefits are Deductible Income as determined below:
 - (1) Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your dependents benefits to that amount.
 - (2) Multiply your Predisability Earnings by the dependents limit.
 - (3) If (1) is greater than (2), the difference will be Deductible Income.
5. Any amount you receive or are eligible to receive because of your disability under any state disability income benefit law or similar law, or any law providing for non-industrial disability leave.
 6. Any amount you receive or are eligible to receive because of your disability under any other group insurance coverage.
 7. Any earnings or compensation included in Predisability Earnings which you receive or are eligible to receive while LTD Benefits are payable.
 8. Any disability or retirement benefits you receive or are eligible to receive under your Employer's retirement plan, including a public employee retirement system, a state teacher retirement system,

and a plan arranged and maintained by a union or employee association for the benefit of its members.

If any of these plans has two or more payment options, the option which comes closest to providing you a monthly income for life with no survivors benefit will be Deductible Income, even if you choose a different option.

9. Any amount you receive by compromise, settlement, or other method as a result of a claim for any of the above, whether disputed or undisputed.

LT.DI.25X

LT.ED.06

COORDINATION OF BENEFITS

Your LTD Benefit is reduced by benefits payable under any other group disability income protection policy. If the other group policy has a disability benefit which is reduced by all or part of your LTD Benefit under this Group Policy, then the following formula will be used to compute your LTD Benefit:

LTD Benefit = A divided by (A + B), times C

In this formula,

A = The LTD Benefit which would be payable by us if you were not insured under the other group policy.

B = The disability benefit which would be payable by the other insurer if you were not insured under this Group Policy.

C = A or B, whichever is higher.

The resulting LTD Benefit is our pro rata share of the higher of the benefits which would be payable if you were not insured under both group policies. If necessary, the same principles will be applied to coordinate benefits among three or more group disability income protection policies.

LT.CB.01

RULES FOR DEDUCTIBLE INCOME

A. Monthly Equivalents

Each month we will determine your LTD Benefit using the Deductible Income for the same monthly period, even if you actually receive the Deductible Income in another month.

If you are paid Deductible Income in a lump sum or by a method other than monthly, we will determine your LTD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.

B. Your Duty To Pursue Deductible Income

You must pursue Deductible Income for which you may be eligible. We may ask for written documentation of your pursuit of Deductible Income. You must provide it within 60 days after we mail you our request. Otherwise, we may reduce your LTD Benefits by the amount we estimate you would be eligible to receive upon proper pursuit of the Deductible Income.

C. Pending Deductible Income

We will not deduct pending Deductible Income until it becomes payable. You must notify us of the amount of the Deductible Income when it is approved. You must repay us for the resulting overpayment of your claim.

D. Overpayment Of Claim

We will notify you of the amount of any overpayment of your claim under any group disability insurance policy issued by us. You must immediately repay us. You will not receive any LTD Benefits until we have been repaid in full. In the meantime, any LTD Benefits paid, including the Minimum LTD Benefit, will be applied to reduce the amount of the overpayment. We may charge you interest at the legal rate for any overpayment which is not repaid within 30 days after we first mail you notice of the amount of the overpayment.

LT.RU.01

CONVERSION OF INSURANCE

When your insurance ends, you may buy LTD conversion insurance if you meet 1 through 5 below.

1. Your insurance ends for a reason other than:

- a. Termination or amendment of the Group Policy;
- b. Your failure to make a required premium contribution ; or
- c. Your retirement.

2. You were insured under your Employer's long term disability insurance plan for at least one year as of the date your insurance ended.
3. You are not Disabled on the date your insurance ends.
4. You are a citizen or resident of the United States or Canada.
5. You apply in writing and pay the first premium for LTD conversion insurance within 31 days after your insurance ends.

Your LTD conversion insurance becomes effective on the day after your insurance ends.

The maximum LTD conversion insurance benefit you may select is the smallest of:

1. \$4,000 (however, if you provide satisfactory Evidence Of Insurability, this upper limit may be as high as \$8,000);
2. 60% of your insured Predisability Earnings on the date your insurance ended; and
3. The LTD Benefit payable if you had become Disabled on the day before your insurance ended and you had no Deductible Income.

The maximum LTD conversion insurance benefit is reduced by deductible income. The certificate we will issue to you when your LTD conversion insurance becomes effective will contain other provisions which will also differ from the Group Policy.
