CITY OF BERKELEY
RECRUITMENT ANNOUNCEMENT

Aquatics Specialist I & II

Aquatics Specialist I Starting Salary: $16.01/Hour
Aquatics Specialist II Starting Salary: $18.91/Hour

The City of Berkeley is seeking applications from qualified candidates for an exciting opportunity as an Aquatics Specialist I/II!

Aquatics Specialist I - is the entry level in the Aquatics Specialist series, providing teaching and instruction in swim skills, and serving as a lifeguard at assigned swimming facilities. Incumbents work under close supervision and teach lower swim levels, and perform customer service functions. This class is distinguished from the Aquatics Specialist II, which works under general supervision and is responsible for teaching and leading all swim levels and certifies participants completion of swim curriculum level.

Aquatics Specialist II-is responsible for supervising the conduct of swimmers at City swim centers to ensure their health and safety. Incumbents in this class are expected to lean and train assigned staff; provide teaching and instruction in swim skills to persons of all ages, and serve as lifeguard at assigned swimming facilities; certify swimming participant’s completion of swim curriculum level, and if acting as a coach, plan and direct group practices and work with swimmers on an individual basis.

**Required Minimum Qualifications:**

**EDUCATION:**
Equivalent to graduation from high school or current enrollment in an institution working toward a high school diploma or GED equivalent.

Must be a minimum of 15 years of age.

Must possess and maintain current American Red Cross Lifeguarding certificate.

For Aquatics Specialist II position: Must possess a valid Water Safety Instructor certification. -AND- have 2 seasons experience working as a lifeguard or swim instructor.
