GOLDEN GATE AREA COUNCIL

Joining our team will be an experience you will not forget! We pride our staff culture on inclusivity and openness. Not to mention that our facilities are state of the art. Showers, restroom, and the views are all stunning! Most of our staff return year after year, the remaining are friends of our staff who come due to word of mouth. The connections built here are ones for lifetime. We take on about 5-10 staffers each year with little to no Scouting background, so no fear!
