● Be sure to use a current email address and that you enter it accurately in Cal State Apply as this email address will be used to follow up with you on your application.

● Refer to the International Application Guide or Applicant Help Center if you need assistance with the online application. You will find their contact information and Live Chat options on the Help Center website. Live Chat is the fastest way to receive assistance.

Transcripts

I understand that if I am accepted to Cal State East Bay that my admissions will not be complete until Cal State East Bay receives my official academic documents directly from the schools that I attended. I also understand the meaning of official documents as described here.

Print your full name in the box below to acknowledge that you have read and understand the information above.

Full Name

You have two options to consider how we examine your documents. You can choose to have all official documents sent to us right away, which is highly recommended for those students with transcripts from the US. If getting your transcripts may take time, you can choose to submit your unofficial transcripts for consideration. If you are admitted to Cal State East Bay, you will not be permitted to enroll until ALL official transcripts are received. The University reserves the right to determine what constitutes an official document.

- I will submit unofficial documents via document collection portal for admission purposes only.
- I will submit official documents directly to Cal State East Bay. I understand that my application will only be processed once all required official documents are received by the International Admissions Office.

Please Note: This form can only be submitted once.

We use Duo Security to provide this additional layer of authentication, which prevents anyone but you from accessing your account, even if they know your password. You will need to set this up before you can access your MyCSUEB.
