**CONDITIONAL ADMISSION**

I had not studied English in high school, so I enrolled in the Global Academy for 5 terms before beginning my undergraduate degree at CSUEB. The Intensive English Program was great – I enhanced my English writing, reading, speaking, listening and grammar skills and improved my English enough to pass the TOEFL. Beyond the classes, I enjoyed the multicultural environment and community of Global Academy. I really appreciate all of my experience in Global Academy and feel that it prepared me well for my current university studies.
