HAVE YOU EVER WONDERED?

What happened to the first people
of the place now known as Hayward
and beyond?

You're invited to join Jalquin/Saclan Ohlone/Bay Miwok elder
Ruth Orta and her five-generation, 60+ member extended family
as they share details of their tribal, family, and ancestral history.

Despite more than two centuries of upheaval, suffering, and
change since the colonization of their homelands, against all
odds the region's first people continue to bring their cultures
forward into the future while living as modern Americans.

You'll have an opportunity to:

- virtually visit ancestral and family places;
- gain insight into the processes involved in the creation of
cultural foods and objects;
- experience the love, caring, and utter humanity that
underpins the family's day-to-day lives;
- and so much more!
