CSU NURSING JEDI SUMMIT: CO-CREATING OUR FUTURE TOGETHER

THU-FRI
JUNE
2-3
2022

OBJECTIVES

- **Build new and strengthen existing relationships** among colleagues across the CSU Nursing system, including, but not limited to, specialty areas, programs, and particular roles.
- **Share and discuss recent efforts, evidence, and scholarship focused on justice, equity, diversity, and inclusion (JEDI);** including, but not limited to, admission policies and practices and culturally sustaining curriculum and pedagogy.
- **Provide rich opportunities for professional development for both faculty and staff** in relation to program implementation, instruction, service, professional development, assessment, clinical site onboarding, and program policies for robust and sustained JEDI efforts.

CSU NURSING JEDI SUMMIT: CO-CREATING OUR FUTURE TOGETHER

THU-FRI
JUNE
2-3
2022

- **Discuss topics** such as faculty governance, the New Essentials of Nursing Education, the Future of Nursing Report, and, AB1407.
- **Lay the groundwork for ongoing communication and connectedness** across CSU nursing programs to dialogue, identify priorities, and act collectively to meet the needs of communities throughout California and beyond.
- **Affirm and hold space for nurse educators from historically excluded communities** who have navigated and carried a disproportionate amount of labor and cultural taxation.
