

CALIFORNIA STATE UNIVERSITY, EAST BAY
NURSING DEPARTMENT REQUIRED RECORDS – LICENSED RN

BACKGROUND CHECK **MUST use Nursing Department Background Check Agency ONLY				
10 PANEL DRUG SCREENING **MUST use Nursing Department Drug Screening Agency ONLY				
TITERS = blood tests (not shots). **Even if you have immunization/shot records, we still require proof of immunity through a blood test for surface antibodies (titer) for #1-3.				
<p>1. RUBELLA (German Measles), RUBEOLA (Regular Measles) <u>AND</u> MUMPS Positive titer (immune) required for ALL THREE SEPARATELY. Test for IgG antibody. <u>If titer is negative</u>, provide proof of two live virus MMR vaccinations at least one month apart. **Must get another titer after shot series is complete.</p>				
<p>2. VARICELLA Positive titer (immune) required. Test for IgG antibody. <u>If titer is negative</u>, provide proof of two doses of live virus at least one month apart. **Must get another titer after shot series is complete.</p>				
<p>3. HEPATITIS B Positive titer (immune or “reactive”) required. Test for <u>Hep B surface antibody</u>. <u>If titer is negative</u>, provide proof of three doses of live vaccination series. (Second shot must be one month after first shot and third shot must be six months after second shot). **TWO months after 3rd shot in series – must get another titer as proof of immunity.</p>				
<p>4. FLU VACCINE Please get flu vaccine (influenza) between September 1 and October 15 of this academic year.</p>				
<p>5. DIPHTHERIA-TETANUS-PERTUSSIS (Tdap) shot within ten years. **This is an “adult” shot, not DTaP or DTP (childhood versions). **A Td shot (Tetanus-Diphtheria only) does NOT cover this requirement.</p>				
<p>6. PPD (Tuberculosis Skin Test) - 2 NEGATIVE results satisfy this requirement.</p> <ul style="list-style-type: none"> • If you have NOT had a TB skin test within the last 12 months: Submit a Negative <u>two-step</u> within 3 weeks of each other (4 doctor visits total)—OR— Submit 1 negative QuantiFERON Gold blood test or T Spot test within 1 year. • If you have ONE TB skin test result within the last 12 months Submit ONE MORE TB test result within 12 months of your most recent one (one-step result). • If you have TWO TB skin test results within the past 2 years Submit both PPD results. The 2nd result must be within 12 months of right now. The 1st result must be no more than 12 months before your 2nd result. If MORE THAN 12 months passed between your first and second results, you need to get ONE MORE TB test (one-step). <p><u>PPD Results last for 12 months – they must NOT expire before the end of the school year (JUNE 1)!!</u></p> <p>If POSITIVE PPD, then a Chest X-Ray <u>REPORT</u> within 3 years is required AND negative symptom screen. (Use Nursing Department Annual TB Symptom Screen Form if your PPD is positive).</p>
