How Do I Apply to Contra Costa College AA in Nursing Program?

The application instructions are available on the Nursing Office website. We admit students once a year in the fall. The Fall Application is opened October 1st through February 1.

Admission Requirements for Contra Costa College:

Contra Costa Community College has a four semester Associate Degree in Nursing (ADN) program. Students are admitted once a year in the fall. Program admission is contingent upon meeting all minimum requirements. Eligibility for fall 2013 students must meet the following criteria:

GPA Requirements for Contra Costa College Nursing Program:

1. An overall Group A Courses grade point average (GPA) of 2.75 for Human Anatomy, Human Physiology, Microbiology, English Composition, Drug Dosage Calculations and Pharmacology.
2. An overall Group B Courses grade point average (GPA) of 3.0 for Introduction to Sociology, Psychology, Human Communication and Developmental Psychology
3. All Group A and Group B Courses must be completed by December for the following fall admission. If there are slots left available then students completing their last prerequisites in the spring before the following fall admission cycle may be given consideration at the sole discretion of the CCC Nursing Program.

TEAS (Test of Essential Academic Skills) Requirements for Contra Costa College:

A minimum composite score of 62% on the TEAS version V, with no more than one unsuccessful attempt is required. Information can be obtained from the Nursing Office for this exam (510-235-7800, X4267) or www.ATltesting.com.

How Do I Apply to Cal State East Bay's Post-Licensure Collaborative program?

The Post-Licensure Collaborative Advanced Placement Option is a 12 month intensive or 2 year part-time program. All courses are on-line except for the Community Health practicum. The program begins in the fall term after completion of the ADN program and passing the RN licensing exam (NCLEX). Incoming ADN students will be awarded 15 upper division college credit units for passing the NCLEX-RN exam.

Eligibility: 1) Enrollment in an ADN program & 2) Meet all Cal State East Bay admission requirements

For more information and a link to the application, go to: www.csueastbay.edu/nursing

Must complete two applications for Cal State East Bay (University & Department) by November 30 of your 3rd semester in your ADN program: 1) The Cal State East Bay admission application (fee) & 2) Cal State East Bay Post-Licensure Collaborative NursingCAS application (fee).
