

Representation by the California Faculty Association (CFA)

All tenured and tenure track faculty, lecturers, librarians, counselors, and coaches are represented by the California Faculty Association (CFA). Below is a statement from the CFA regarding this affiliation:

“You are represented by the California Faculty Association, a union of 27,000 professors, lecturers, librarians, counselors and coaches who teach in the California State University system. In classrooms on the 23 CSU campuses, CFA members work hard to teach our students. To join, as an active member with rights to vote and engage fully on behalf of yourself and others, go to:
