

Policy on Religious Observance

The faculty of California State University East Bay, welcoming the religious and spiritual diversity of our student body, recognized that upon occasion students' religious observances may conflict with other requirements. California Education Code Section 89320 requires faculty to reschedule a test or examination, without penalty to the student, when the regularly scheduled test or examination conflicts with the student's religious observances. Students with other scheduling conflicts related to religious observance should bring these to the attention of the instructor in a timely manner, so that the student will be accommodated, if at all possible.
