APPROVAL PROCEDURES FOR SABBATICAL LEAVES: The Professional Leave Committee reviews all sabbatical leave applications according to these criteria: (a) the intrinsic merit of the proposal in terms of its feasibility, and of the professional growth and development of the applicant, of the curricular

needs of the applicant's department or area, and of the need to maintain the reputation of the University as a teaching and research institution, and (b) the past performance of the applicant as reflected by publications, research, creative work, honors and awards, academic program and course development, and related accomplishments which bear a direct relationship to the proposed sabbatical leave. When the application of criteria a and b results in a tie between two proposals, time in service at a college or university since the last sabbatical or equivalent leave will become the criterion.

The Professional Leave Committee submits its recommendations to the Office of the Provost and Vice President for Academic Affairs. Notification to faculty is made before Spring Semester, 2022 for leaves awarded for academic year 2022-2023.

Upon return from sabbatical leave, a complete report **must be submitted to the Provost. (who is the President's designee)**

APPROVAL PROCEDURES FOR DIFFERENCE IN PAY LEAVES: A departmental committee composed of tenured faculty unit employees shall review difference in pay leave requests. The departmental committee shall be elected by probationary and tenured faculty unit employees. A faculty unit employee applying for a difference in pay leave shall not serve on this committee. The recommendation ensuing from such a review shall be submitted to the appropriate administrator. This review shall consider questions related to the quality of the proposed difference in pay leave. When a faculty unit employee is afforded an unexpected opportunity, such as external funding, a scholarship or fellowship, a rapid and expedited review for a difference in pay leave will be provided. Upon return from difference in pay leave, a complete report **must be submitted to the Provost (who is the President's designee).**
