

SENIOR

THE MOST IMPORTANT THINGS TO DO

1

MEET WITH A COUNSELOR

Check in with a counselor at the beginning of your senior year! Have them review your resume and get a second opinion on your future goals.

2

PRACTICE INTERVIEWING SKILLS

Check out [AAACE's interviewing_page](#) for tips on how to have an effective interview. Check out resources and review our STAR method handout and the 50 Common Interview Questions handout.

3

DEVELOP YOUR SKILLS

If you haven't already, explore LinkedIn Learning. As you come across skills that the employer wants that you don't have, work on and improve those skills with [LinkedIn Learning](#).

4

ATTEND NETWORKING EVENTS

AAACE and the OCPD network with employers to bring you these great opportunities - take advantage of them! Sign up for informational sessions to learn about what employers have to offer. Register and attend networking events to practice your networking skills and expand your network.

5

APPLY FOR ENTRY LEVEL JOBS

Some places do not accept seniors as interns so instead, apply to entry level opportunities. Find and apply to these positions on Handshake, LinkedIn Jobs, and Career websites.
