IRB Protocol Closure Submission Cheat Sheet

Closure – when your study is complete, use this submission to close the study. Cayuse IRB will automatically remind you of upcoming expirations.

Making a New Closure Submission:

1. If you need to submit a request to close out your study, login to Cayuse IRB using your CSUEB username and password (https://csueastbay.cayuse424.com) and select your study under My Studies.

2. Select New Submission and choose the appropriate application for your circumstance.
3. Just like the initial submission, your new submission will have a list of Required Tasks for you to complete before you can submit.

4. Enter the required information and select COMPLETE SUBMISSION.
5. You will need to confirm the submission and will be brought back to your Submission Details. Click Certify to “sign” the submission and send it to the IRB.
