IRB Protocol Modification Submission Cheat Sheet

Modification – you must receive approval from the IRB before implementing changes to your data collection tool, informed consent form, inclusion/exclusion criteria, incentives, subject population, methods, etc.

Making a New Modification Submission:

1. If you need to submit a request to modify your study, login to Cayuse IRB using your CSUEB username and password (https://csueastbay.cayuse424.com) and select your study under My Studies.

2. Select New Submission and choose the appropriate application for your circumstance.
3. Just like the initial submission, your new submission will have a list of Required Tasks for you to complete before you can submit.

4. Enter the required information and select COMPLETE SUBMISSION >
5. You will need to confirm the submission and will be brought back to your Submission Details. Click Certify to “sign” the submission and send it to the IRB.
