

IRB Protocol Renewal Submission Cheat Sheet

Renewal – to continue your study for another year, you must submit a renewal and receive approval before activity can continue. Cayuse IRB will automatically remind you of upcoming expirations.

Making a 'New' Renewal Submission:

1. If you need to submit a request to renew your study, login to Cayuse IRB using your CSUEB username and password (<https://csueastbay.cayuse424.com>) and select your study under *My Studies*.

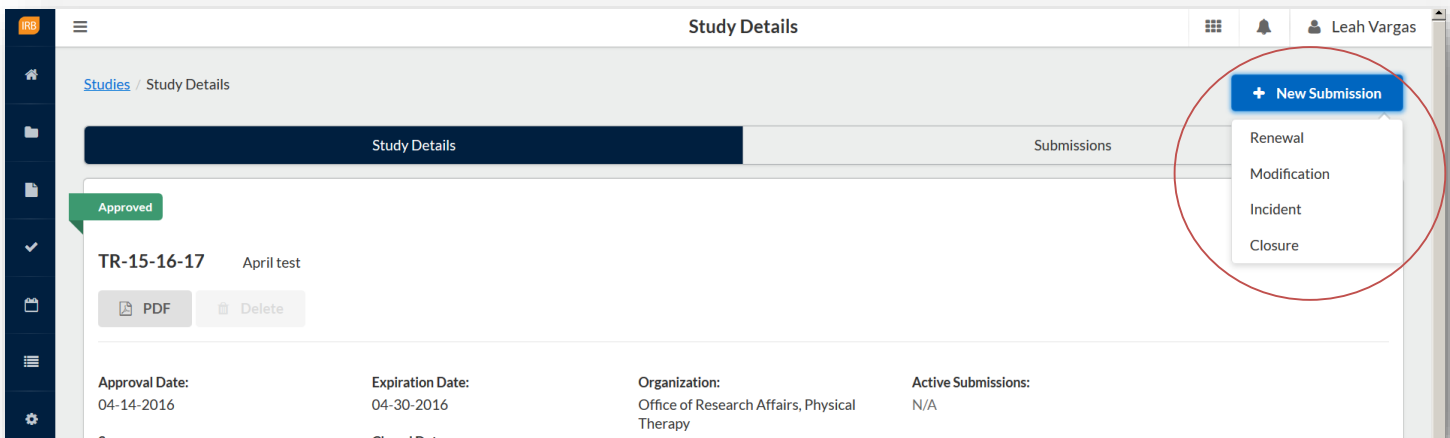

The screenshot shows the Cayuse IRB dashboard for a user with the role of 'Researcher'. At the top right, there is a '+ New Study' button. Below this, four status cards are displayed: 'In-Draft' (0), 'Awaiting Approval' (1), 'Pre-Review' (0), and 'Under Review' (1). The 'My Studies' section is circled in red and contains a table with the following entries:

Study ID	Study Title
TR-15-16-19	Study Title Goes Here
TR-15-16-17	April test
TR-15-16-16	try again

Other sections include 'My Tasks' with a 'View Submission' link for TR-15-16-16, and a 'Submissions by Type' table:

Submission Type	Count
Initial	3
Withdrawal	0
Modification	0
Renewal	0
Incident	0
Closure	0
Legacy	0

2. Select *New Submission* and choose the appropriate application for your circumstance.

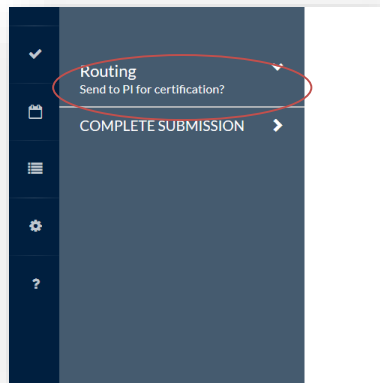

The screenshot shows the 'Study Details' page for study TR-15-16-17 (April test). The study is marked as 'Approved'. A dropdown menu is open, showing options: '+ New Submission', 'Renewal', 'Modification', 'Incident', and 'Closure'. The 'New Submission' option is circled in red. Below the study title, there are buttons for 'PDF' and 'Delete'. At the bottom, key information is displayed:

- Just like the initial submission, your new submission will have a list of Required Tasks for you to complete before you can submit.
