

## ACADEMIC PAYMENT SCHEDULE

### Academic Year Faculty & Teaching Associates

The 2022-2023 Academic Year consists of 83 academic work days for the fall 2022 semester and 87 academic work days for the spring 2023 semester. Combined, fall and spring consist of 170 academic work days.

The academic year payment schedule applies to faculty and teaching associates appointed for one semester, an academic year, and consecutive fall and spring semesters. In general, faculty and teaching associates receive six (6) equal payments for each semester over a six month period. Academic year or consecutive fall and spring appointments will receive twelve payments over a twelve month period.

**Fall 2022** begins on August 17, 2022 and ends on December 16, 2022. The first paycheck for the semester is scheduled for September 30, 2022. The first pay period includes academic work days from August 17, 2022 through September 30, 2022.

**Spring 2023** begins on January 17, 2023 and ends on May 19, 2023. The first paycheck for the semester is scheduled for March 1, 2023. The first pay period includes academic work days from January 17, 2023 through March 1, 2023.

The final paychecks for the fall and spring semesters are subject to change when the following conditions apply:

1. Late start – the effective date of the appointment is after the first day of the semester.
2. Leave without pay or dock time – if any academic days in the semester are reported as unpaid.
3. Timebase changes – changes in teaching load (WTU’s) effective mid-month or after the first day of the semester.

The final paycheck for tenure track, academic year, three year, and consecutive fall and spring appointments is paid in the August 2023 pay period. These earnings reflect the timebase/units and salary assigned in the fall semester.
