and  
Confidentiality Statement**

I certify that I have no personal or financial interest and no present or past employment activity which would be incompatible with my participation in this solicitation process and that I am fully able to give full, fair and impartial consideration to all proposals/bids as an appointee to the related evaluation team.

I fully understand and agree to immediately disqualify myself as soon as I am aware of a conflict of interest that may compromise my fair and impartial consideration of the proposals/bids.

I certify that I will hold in the strictest confidence all bids, proposals, correspondence, memoranda, working papers, or any other media which has any bearing on, or discloses any aspect of, any vendor's response or potential response to the RFP.

I fully understand that it is unlawful for a person to utilize any CSU or CSU auxiliary organization information that is not a matter of public record, for personal pecuniary gain.

If any organization in which I, or a member of my family i.e., parents, brother, sisters, spouse, and children, have a financial interest or any employment relationship, submits a proposal in response to the RFP or is identified in a proposal as a potential subcontractor to the proposer, I will immediately notify the Chairperson and withdraw from participation in the evaluation.

Additionally, I certify that I have not solicited, accepted, or attempted to accept and will not solicit, accept, or attempt to accept any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind provided directly or indirectly for the purpose of obtaining or rewarding favorable treatment in connection with the proceedings of the evaluation committee.

I fully understand that any violation of the above is a basis for disciplinary action, including dismissal.
