Please check one:

\_\_\_\_\_ **Individual Study** (Substitutes for a regular course that is impossible for the student to take; should cover the same material as the regular course.)

\_\_\_\_\_ **Independent Study** (Unique course designed by student and professor; may take conventional form, e.g. reading lists, exams – or may be a MAJOR research project.)

\_\_\_\_\_ **Graduate Thesis** (Departmental or University)

**Number of units being taken this quarter (not including this course):** \_\_\_\_\_

Please state specifically the requirements of the course, for example, 2 books, 3 articles, and 2 take-home exams, one 8-10 page paper – or, for a thesis, specific aspects of the research or number of chapters to be completed. The requirements should be about the same amount of work as would be required for that number of units in a regular course in the same department. Please include sufficient information so that a judgment can be made about whether this course meets the requirements of the policy. Information about the subject matter of the course is often not necessary.
