

CSU, East Bay Department of Environmental Health & Safety

Prescription Safety Glasses Authorization Form

Note: This form must be signed by your supervisor and returned to EHS. A current prescription no more than six months old must be given to the optometry clinic. If the prescription is beyond six months you must have your eyes re-examined at your own cost either at Site for Sore Eyes or by a doctor of your own choosing. Prescription safety glasses authorized are basic SV, BF, and TF lenses with scratch resistance coating for CR-39 or polycarbonate lenses, and designed, constructed, and used in accordance with ANSI Z87.1-2003. **All frames must have permanently attached side shields.** Additional features are available and if elected by the employee, are the sole financial responsibility of the employee. To make an appointment, contact Site for Sore Eyes at (510) 276-6000.

Employee's Name _____ Department _____
