

# ELEVATOR SAFETY

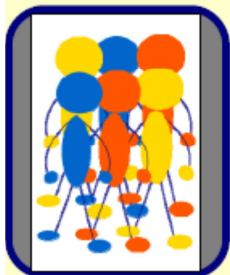

## THREE RULES IF YOU GET STUCK:

- 1. RING** the alarm.
- 2. RELAX.**
- 3. WAIT** for help.

And don't forget –  
**IF THERE'S A FIRE  
USE THE STAIRS!**

**Don't crowd  
the elevator.**

It can get stuck if too  
many people are in it.

**Don't hold or force  
open the doors.**

It's dangerous.

**Don't jump in  
the elevator.**

Jumping can make the  
elevator and floor uneven.  
You can also get stuck.

**Don't play with  
the emergency  
stop button.**

It's not a toy.

Remain calm and sit down in the elevator until help gets there. **Do not attempt to crawl out or remove yourself from an elevator that's stuck between floors.**
