Recap of Campus Visit

KEY FINDINGS AND THEMES

- › **Students** require facilities and services that **foster personal and professional development**, and **faculty/staff** require facilities to **allow, not hinder**, providing services to students
- › What is working with the UU/RAW?
 - Staff, openness to change, decently priced fees, community centers to unite campus
- › What is not working?
 - Space, affinity centers, Food service (lines and variety), Technology capabilities, signage

Students' Current Perception and Future Vision of the UU and Raw:

	Now	Future
University Union	Confusing, dark, unknown, busy	Community, accessibility, student hub, open
Recreation and Wellness Center	Cramped, intimidating, physical	Open, lively, social, friendly

Recap of Campus Visit

DESIRED PHYSICAL AND PROGRAMMATIC ELEMENTS

University Union

Recreation and Wellness Center

Physical Elements of Facility	Programmatic Components
<ul style="list-style-type: none"> • Windows, use of glass for daylighting • Mixture of private & communal, informal & formal gathering space • Wayfinding and signage throughout • Physical connections between old and new UU to create one space 	<ul style="list-style-type: none"> • Increased staffing to maximize student outreach and support • One-stop shop / student services more centralized and visible • Improved reservation / space usage systems • More resources to support student programming
<ul style="list-style-type: none"> • Outdoor recreational areas • Separation between wellness and recreation spaces • Health-oriented food / drink options on site • Test kitchen, additional health-focused spaces • Olympic lifting space 	<ul style="list-style-type: none"> • Group oriented fitness and recreation activities • Community oriented and more friendly atmosphere • Increased staffing to advise and run new activities
