

Semester Conversion Co-Curricular and Student Support Subcommittee
University Hour (U-Hour) Survey

As part of Semester Conversion, the University is considering implementing a University Hour (U-Hour). The U-Hour is a period of time during the day in which lecture classes would not be scheduled to allow time for various opportunities that could encourage students, faculty, staff, and administrators to be more engaged in campus life and create a better sense of campus community. The purpose of this survey is to assess the campus community as to whether or not a U-Hour be included in the Semester Schedule.

Please complete the following survey:

1. Please indicate which of the following applies to you:

- A. Undergraduate student
