## Degree Requirements

Students may need **additional semester units** to meet degree unit requirements (120 units total). Students should meet with a CLASS Student Services Advisor to confirm how many actual units are needed based on overall academic history and to verify any pending unit/GE requirements: [https://www.csueastbay.edu/class-ssc/index.html](https://www.csueastbay.edu/class-ssc/index.html). If additional units are needed, the following areas are recommended: SLHS elective courses, biological/health sciences, communication, ethnic studies, early childhood education, English, human development, psychology, language studies, statistics. Students who are also pursuing a minor are expected to meet this additional unit requirement through their minor coursework.

## Notes

1. The Biology course should meet the criteria for the Biology requirement by ASHA: [https://www.asha.org/certification/course-content-areas-for-slp-standards/](https://www.asha.org/certification/course-content-areas-for-slp-standards/).
2. HDEV 380 fulfills the G.E. upper-division (UD) Area D (Social Science) requirement.
3. SLHS 497 can be taken up to two times. Topics vary each year.
4. SLHS 496 is a variable unit research experience course (1-3 units), which can be taken multiple times. By permission only.
5. SLHS 306 fulfills the G.E. upper-division (UD) Area D (Social Science) and Diversity overlay requirements.
6. SLHS 204 and SLHS 208 fulfill the G.E. lower-division Area D1-2 requirement.
7. SLHS 305 must be taken twice.
8. SLHS 310 is not required, but is strongly recommended for students considering graduate school. Can be substituted for the SLHS 400 requirement.
9. PHYS 304 fulfills the G.E. upper-division (UD) Area B requirement.
